Your Benefits at VCU

This guide provides information about the generous benefit plans and programs available to employees. You can find more information, and on-demand tools and resources, at <https://hr.vcu.edu>. For assistance with orientation and onboarding, including benefits, be sure to connect with the [HR Professional in your college, school, or unit](#).

Note: This booklet provides an overview of the benefit provisions for employees and is deemed to be accurate at the time of publication. In the event of any discrepancy between this publication and the plan documents and/or policies in force, the plan documents and/or policies shall prevail. Virginia Commonwealth University reserves the right to change the programs and provisions applicable to employees at any time.

Health Coverage

Salaried state employees of the Commonwealth of Virginia are eligible for health coverage under the State Health Benefits Program administered by the Virginia Department of Human Resource Management.

- If you are newly eligible for state employee health coverage, your initial enrollment opportunity is from your first to your 30th calendar day of employment, inclusive. After your 30th calendar day of employment, you are considered to have waived health coverage and enrollment is not available until the next annual open enrollment period (generally in May of each year) or within 60 days of experiencing a [qualifying mid-year event that allows enrollment](#), such as marriage, birth/adoption, or loss of other group coverage by you or an eligible family member.
- If you are transferring to VCU from another Commonwealth of Virginia employer that participates in the State Health Benefits Program, without a break in state service, your existing health coverage must be re-elected at VCU and cannot be changed unless your existing enrollment is with Kaiser Permanente or the Optima Health Vantage HMO. Kaiser Permanente has no network facilities within the Greater Richmond Area, and Optima Health Vantage HMO is limited to specific zip codes in the Hampton Roads area. Provide VCU Human Resources with verification of your health coverage in force at your previous state agency.
- If you are returning to state service after a break in State Health Benefits Program eligibility of less than 30 days, your previous health coverage election must be re-elected at VCU and cannot be changed unless your enrollment was with Kaiser Permanente or Optima Health Vantage HMO. Provide VCU Human Resources with verification of your health coverage in force at your previous state agency.

Notice to J-1 Scholars: The plans offered by the state program do not meet the full coverage requirements in the Code of Federal Regulations for exchange visitors. You must obtain supplementary coverage to meet the full requirements. See details at <https://hr.vcu.edu/current-employees/benefits/a-z-list-of-benefits/health-benefits/>.

Note: University of Virginia (UVA) does not participate in the State Health Benefits Program. Transfers from UVA are considered newly eligible for the State Health Benefits Program.

Initial Enrollment Period

The Initial Enrollment Period for health care coverage and flexible reimbursement accounts occurs when you begin employment with the state (including being rehired 30 days or more after termination from state employment) or become newly eligible for state coverage. Your coverage is automatically waived until your enrollment request is approved. If you are rehired less than 30 days after termination from state employment, you continue your previous elections.

- Health Insurance Coverage:**
- You may enroll in a health plan available in your area. If you live or work in the HMO service area, you may elect to enroll in the HMO plan. HMO members are required to select a primary care physician.
 - You may enroll eligible family members.

Warning! There are serious consequences for adding ineligible family members. You may be financially responsible for their claims, you may pay a higher health insurance premium until the end of the plan year, and you may be excluded from health care coverage for up to three years.

- Health Flexible Spending Account:**
- You may enroll to cover eligible medical expenses for you and your qualifying family members.

- Dependent Care Flexible Spending Account:**
- You may enroll to cover eligible dependent care expenses.

Important Things To Know About Making An Initial Enrollment Request

1. **Who may make the request.** Faculty members and University and Academic Professionals may request enrollment. Wage employees and adjunct faculty are not eligible. If adding dependents, you must provide documentation that they are eligible for the state health plan.
2. **How to submit the request.** Starting with the date you become eligible to enroll (hire date, newly-eligible date, rehire date), you have 30 calendar days to enroll online in Cardinal Employee Self Service (ESS) or submit a completed enrollment form to VCU HR.
3. **When approved elections take effect.** Initial health insurance and flexible spending account elections **received** within the 30-day window are effective the first of the month following the date you become eligible to enroll. When that date is the first of the month, elections are effective that day. Initial elections are irrevocable once the effective date of the election has occurred.
4. **Where to learn more.** Visit www.dhrm.virginia.gov. The Employee Benefits link includes answers to frequently asked questions and helpful information about handling a life-changing event. For more details, contact VCU HR at <https://go.vcu.edu/hrsupport>.

Reminder: If you miss this opportunity to submit your initial enrollment request, your next chance will be at Open Enrollment or with a consistent Qualifying Mid-year Event, whichever comes first.

What are Premium Rewards?

Premium Rewards is an incentive for participants in the COVA Care and COVA HealthAware plans who complete certain specific healthy actions within defined timeframes. An employee/retiree group participant and their enrolled spouse can earn a monthly reward of \$17 per month (\$34 for employee/retiree and spouse) if they fulfill the requirements to earn an incentive. Premium Rewards requirements for the 2023-2024 plan year are provided below and will be posted to the DHRM website.

Premium Rewards requirements for the July 1, 2023 through June 30, 2024 plan year:

Premium Rewards for the plan year starting July 1, 2023, will be available to all employees and non-Medicare-eligible retiree group participants and their covered spouses enrolled in the COVA Care or COVA HealthAware plan. Participants will only have to complete and submit an online Health Assessment as described below to receive a Premium Rewards incentive. All participants must complete or update and submit the Health Assessment between May 1 - May 15, 2023, to earn a Premium Rewards incentive effective July 1, 2023. If no Health Assessment is completed and submitted during this time, any existing Premium Rewards incentive will be terminated on June 30, 2023. Please remember that an employee/retiree group participant and their respective spouse must set up a separate online account and complete their own Health Assessment.

COVA Care and COVA HealthAware participants, including those who newly enroll during the plan year (employees/retirees and spouses) can earn an incentive after July 1 at any time during the plan year if the requirement is met.

Please note:

- Employees and/or retired non-Medicare eligible participants and spouses enrolling in COVA Care or COVA HealthAware during Open Enrollment may have to wait until July 1, 2023, to complete a Health Assessment.
- Current COVA Care or COVA HealthAware members who may be changing their plan for July 1, 2023, will need to complete their Health Assessment with their current plan administrator.

USE YOUR OWN DEVICE: We strongly encourage participants to use their own personal devices to complete a Health Assessment since the user can manage limitations such as firewalls and cookies. **Participants may receive an error when using a state issued computer to access the Health Assessment** due to the system administrator limitations. These settings cannot be changed.

Please see the information below for instructions to access the health plan's website and or mobile app to complete the Health Assessment.

Health Assessment Confirmations:

Eligible participants should print off and retain a copy of the screenshot that confirms their Health Assessment completion. If the incentive is not credited in the timeframe provided below, the employee/retiree should contact their Benefits Administrator and provide documentation of completion. If failure to apply the Premium Rewards incentive is due to a system or report failure, consideration will be given to allow a retroactive effective date based on the individual circumstances of the request. However, it is the employee’s/retiree’s responsibility to watch for their Premium Rewards incentive and report any problem within a reasonable time.

How long will it take for me to get my Premium Rewards incentive?

Premium Rewards incentives will be effective on July 1, 2023, if the Health Assessment is completed between May 1 – May 15, 2023. Health Assessments submitted before May 1, 2023, will not count towards the new plan year Premium Rewards incentive. However, if the

employee/non-Medicare-eligible enrollee or covered spouse does not complete the Health Assessment during this timeframe, they can still earn a Premium Rewards incentive. The following chart provides a schedule of effective dates based on the completion of the requirement:

Completion Date:	Effective Date
5/16/2023 through 6/15/2023	8/1/2023
6/16/2023 through 7/15/2023	9/1/2023
7/16/2023 through 8/15/2023	10/1/2023
8/16/2023 through 9/15/2023	11/1/2023
9/16/2023 through 10/15/2023	12/1/2023
10/16/2023 through 11/15/2023	1/1/2024
11/16/2023 through 12/15/2023	2/1/2024
12/16/2023 through 1/15/2024	3/1/2024
1/16/2024 through 2/15/2024	4/1/2024
2/16/2024 through 3/15/2024	5/1/2024
3/16/2024 through 4/15/2024	6/1/2024

Premium Rewards Participants: Your Health Assessment results are confidential and individual information will not be shared with your employer.

Benefits Administrator: If you have an employee/retiree or covered spouse who has completed the requirement but is not receiving the Premium Rewards incentive. Please review *Simple Benefits and Create Additional Pay* in Cardinal, you may submit a request for assistance on behalf of the employee/retiree/spouse to ohb@dhrm.virginia.gov or fax to 804-371-0231. Please note that confirmation of completion of the Health Assessment will be required as supporting documentation. Please use the chart to confirm that the Premium Rewards incentive effective date was missed before you request a review.

State Health Benefits Program

Active Employee Eligibility and Enrollment Form

Overview

The following is a general description of the Commonwealth of Virginia's State Health Benefits Program eligibility and enrollment information for employees. It is not intended to replace member handbooks and other plan documents. For more detailed information or clarification, visit the DHRM website at www.dhrm.virginia.gov or contact your Benefits Administrator. Participation in the State Health Benefits Program is subject to current program provisions, state and federal laws and regulations, and plan availability. The Commonwealth reserves the right to change your enrollment to ensure compliance.

When Can I Request Enrollment or Election Changes?

When Newly Eligible

For health care coverage and flexible spending accounts, request enrollment within 30 calendar days of the date of hire or of becoming eligible. The countdown begins on the day of the event. Once you have submitted a valid election during this enrollment window and that election takes effect, it is binding and may not be changed. When adding dependents to coverage, supporting documentation is required that provides proof of eligibility. **If you do not have the documentation, do not miss the enrollment deadline. You have an additional 60 days from the election request to submit the eligibility documentation. Note: Health care coverage will not be effective until approved documentation is received. See your agency Benefits Administrator.**

During Open Enrollment

The Open Enrollment period occurs each spring and is your annual opportunity to enroll or make election changes to health care coverage and to enroll in FSAs effective July 1. When adding dependents to coverage, supporting documentation is required that provides proof of eligibility. **If you do not have the documentation, do not miss the enrollment deadline. You have an additional 60 days from the election request to submit the eligibility documentation. Note: Health care coverage will not be effective until approved documentation is received. See your agency Benefits Administrator.**

Qualifying Mid-Year Events (Life Events)

Certain qualifying mid-year events (life events) permit specific election changes outside the Open Enrollment period, including changes to your plan and membership. Examples of these events include changes in your employment, changes in your marital status, changes in the number of your eligible family members, and changes affecting the employment of a covered family member. Your change request must be received within 60 calendar days of the event and be on account of and consistent with the event. The countdown begins on the day of the event. Once you have submitted a valid election during this enrollment window and that election takes effect, it is binding and may not be changed. You will be asked to provide supporting documentation for the qualifying mid-year event (life event). *A complete list of qualifying mid-year events (life events) may be found on the DHRM website and on the attached enrollment form.* When adding dependents to coverage, supporting documentation is required that provides proof of eligibility. **If you do not have the documentation, do not miss the enrollment deadline. You have an additional 60 days from the election request to submit all the supporting documentation. Note: Health care coverage will not be effective until approved documentation is received. See your agency Benefits Administrator.**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, under a *HIPAA Special Enrollment* you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 60 days of the day your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days of the marriage, birth, adoption or placement for adoption.

The Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA) created two new Special Enrollment rights for certain eligible employees and dependents who lose coverage or become eligible for premium assistance under a Medicaid or state children's health insurance program. Employees must request coverage changes within 60 days of the eligibility determination.

To request a *HIPAA Special Enrollment* or obtain more information, contact your agency's Benefits Administrator.

What Election Choices are Available?

Health Care Coverage in most cases includes medical, dental, pharmacy, and behavioral health services. Certain family members who meet eligibility and rules requirements may also be covered. Supporting documentation must be provided before family members can be added.

- Employees who enroll or fail to remove a family member who is not eligible for coverage may face disciplinary action and removal from the State Health Benefits Program for up to three years.
- Continued coverage is available for you and covered family members who lose eligibility under the State Health Benefits Program unless you enroll in the TRICARE supplement. More information about Extended Coverage (COBRA) is available on the DHRM website or from your Benefits Administrator. Portability information for the TRICARE supplement is available from the plan administrator.
- Health Care Premiums are subject to change every July 1.
- Payroll-deducted premiums are withheld on a pre-tax basis.
- Employees are obligated to pay for any month of health care coverage already begun.
- Failure to pay the premium owed results in cancellation of coverage and forfeiture of any partial payment.

Flexible Spending Accounts allow you to set aside part of your salary each year before taxes for eligible medical or dependent care expenses. There is a monthly pre-tax administrative fee for one or both accounts. For more information, visit the DHRM website or contact your agency Benefits Administrator.

- A flexible spending account must only be used to pay for IRS-qualified expenses and only for IRS-eligible dependents.
- Enrollees must exhaust all other sources of reimbursement (including those provided under an employer's plans) before seeking reimbursement from a flexible spending account. They may not seek reimbursement through any other source.
- Enrollees must collect and maintain sufficient documentation to validate reimbursement from a flexible spending account.

Eligibility for Coverage

Who is eligible

You are eligible for coverage if you are a **part-or full-time, salaried, classified employee**; a **regular, full-time or part-time salaried faculty or postdoctoral scholar-fellow**; or a **part-or full-time, salaried University and Academic Professional**. Your eligible dependents also may be covered. **Retirees, long-term disability participants and survivors** may also be eligible for coverage. Contact VCU Human Resources, Benefits Administration for assistance.

You may choose your **type of membership** as follows:

- Employee/retiree single** – to cover yourself only
- Employee/retiree plus one** – to cover yourself and one eligible dependent
- Family** – to cover yourself and two or more eligible dependents

Members who cover ineligible persons may be removed from the program for a period of up to three years. In addition, the member will be responsible for claims paid in error and will be unable to reduce health benefits membership except within 60 days of the dependent’s loss of eligibility or during Open Enrollment.

Flexible Spending

Salaried state employees are eligible to participate in Flexible Spending Accounts (FSAs) through the State Health Benefits Program. **Health FSAs** are available to save for eligible expenses incurred by you and your qualifying relatives that are not reimbursed by a health plan. **Dependent Care FSAs** are available to save for eligible day care and/or adult care expenses incurred while you are working. You do not need to participate in health coverage in order to enroll in the FSA program.

- If you are newly eligible for state employee health coverage, your initial FSA enrollment opportunity is from your first to your 30th calendar day of employment, inclusive. After your 30th calendar day of employment, you are considered to have waived FSA participation and enrollment is not available until the next annual open enrollment period (generally in May of each year) or within 60 days of experiencing a [qualifying mid-year event that permits changes outside of open enrollment](#).
- If you are transferring to VCU from another Commonwealth of Virginia employer that participates in the State Health Benefits Program, without a break in state service, your existing FSA election must be re-elected at VCU and cannot be changed. Provide VCU Human Resources with verification of your FSA election in force at your previous state agency.
- If you are returning to state service after a break in state employee health coverage eligibility of less than 30 days, your previous FSA election must be re-elected at VCU and cannot be changed. Provide VCU Human Resources with verification of your FSA election in force at your previous state agency.

Flexible Spending Account (FSA)

The simple way to save for out-of-pocket expenses

What's an FSA?

It's an account that you contribute money into from your paycheck, before taxes are taken out. You'll save money when you use it to pay for health and dependent care expenses.

Health Care FSA

Contribute up to your plan's limit in pretax dollars from your paycheck. Your full contribution is available to use at the start of the plan year to pay for eligible health care expenses, such as:

- copays, coinsurance and deductibles
- dental and vision expenses
- prescription medicine and over-the-counter items

Dependent Care FSA

You can contribute up to the IRS limit of \$5,000.* Funds are for your dependent(s) age 12 or younger or a spouse or dependent incapable of self-care. This FSA pays for eligible child and adult care expenses, such as day care, preschool and nursery school, in-home aid, and more.

Pay yourself back

Pay for eligible expenses with cash, a check or your personal credit card. Then withdraw funds from your FSA to pay yourself back and have your payment deposited.

Pay your provider

You may pay your provider directly from your account.

Pay with your PayFlex Card®

When you use it, your expense is automatically paid from your Health care FSA account.

Pay with your phone

By using your digital wallet, you can save your PayFlex Card® on your phone and use Samsung Pay or Apple Pay® at checkout where digital payments are accepted.

Keep it simple with the PayFlex Mobile® app

- Manage your account and view alerts.
- Snap a photo of your receipts to submit claims.
- Use our barcode scanner to verify eligible items in-store.

Note: Standard text messaging rates and other rates from your wireless carrier may apply when using the PayFlex Mobile app.

*IRS limits can change year to year, and some employers may set a lower limit. Please check your plan details for how much you can contribute.

Handy FSA reminders and tips

- Save all of your itemized statements and detailed receipts.
- View the IRS contribution limits and a list of common eligible expense items on PayFlex.com.
- You can change your contribution if you have a change in status,* such as your marital or employment status, your number of tax dependents, etc.
- FSAs have a use-it-or-lose-it rule, which means if you don't use your funds by the end of the plan year, you'll lose them. After your plan year ends, you have a certain time period during which you need to submit your claims. Check your plan details to understand these dates.

- For Dependent Care FSAs, you must be working or looking for work to use your dependent care funds. If you're married, your spouse must either be working, looking for work or a full-time student.

Pay after termination

- When your Dependent Care account ends you have additional time to incur and file Dependent Care claims in order to use your remaining Dependent Care balance. You have up to an additional 90 days to incur expenses, or the end of your plan year, whichever happens first. Note that the 90 days to incur claims cannot exceed the plan year end date of 06/30.

FSA WORKSHEETS

See For Yourself How Your Savings Can Add Up

How much you save depends on how much you spend on health and dependent care, and on your tax situation. To estimate your expenses and see for yourself how your savings can add up, use the worksheets below to determine how much to contribute to your account(s). Calculate the amount you expect to pay during the plan year for eligible out-of-pocket medical and/or dependent care expenses. This calculated amount cannot exceed established IRS and plan limits.

Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you.

Health Care FSA Worksheet

Estimate your eligible, uninsured out-of-pocket medical expenses for the plan year. IRS contribution limits for the Health Care FSA are based on the plan year (July 1 – June 30), not the calendar year.

OVERVIEW

Flexible Spending Account (FSA)

An FSA allows you to set aside money from your paycheck, before taxes, to use on qualified health care and dependent care expenses. You may enroll in an FSA during Open Enrollment, or within 60 days of a consistent Qualifying Life Event (QME). You choose the amount to set aside based on your anticipated eligible expenses. The money is deducted from your paycheck in equal amounts and placed in your FSA. Plan wisely on how much to set aside in your FSA because you must use all the money during the plan year, or lose it.

You Can Elect to Enroll in One or Both of These FSAs

	HEALTH CARE FSA	DEPENDENT CARE FSA
Maximum amount you can put into the account each plan year	\$3,050	\$5,000

All full and part-time classified employees and faculty members who are eligible for the State Health Benefits Program may participate in the FSA.

Sign Up and Save with an FSA

An FSA is a plan sponsored by the Commonwealth of Virginia that allows you to set aside a part of your income on a pre-tax basis for eligible health or dependent care expenses. The plan year begins July 1 and ends June 30. Your coverage period for incurring expenses is based on your participation in the program.

Important Dates

Plan year starts: July 1, 2023

Plan year ends: June 30, 2024

Last payroll deduction for plan year: July 1, 2024

Last day to incur eligible expenses: June 30 or last day of your coverage period

Last day to submit reimbursement requests and verification of outstanding card transactions: September 30 or three months from the end of your coverage period, whichever is sooner.

Last day to use FSA card for July 1, 2023 – June 30, 2024 expenses: June 30, 2024

Get to Know Your FSA

Review this FSA Sourcebook to understand how you and your family can save. Once you decide how much to contribute to your Health Care FSA and/or Dependent Care FSA, the contribution is deducted in equal amounts from your paychecks during the plan year.

The savings examples in this guide use a 30 percent tax rate. But your savings may vary based on your personal annual tax rate. Please consult your tax advisor for more details.

Your Health Care FSA funds are available to you at the beginning of your coverage period. Dependent Care FSA funds are only available as they are deducted from your paycheck. For both accounts, your funds are deducted before federal and state taxes are calculated on your paycheck.

With either account, you benefit because less of your paycheck is taxable, which means more spendable income.

Administration Fee

If you choose to enroll in one or both FSAs, one monthly administration fee of \$2.10 will be deducted from your paycheck each month on a pre-tax basis. (Note: If you are not paid on a 12-month basis, please see your Benefits Administrator for the applicable administration fees).

The Use-It-or-Lose-It Rule and Your Coverage Period

Timing is everything! FSAs have a start date and an end date, and the time in between is called the coverage period. The Internal Revenue Service (IRS) has a "use-it-or-lose-it" rule that requires you to use all the money in your FSA toward eligible expenses by the end of the coverage period. Remaining FSA dollars won't be returned to you. Funds do not roll over to the next plan year.

To keep from losing money, do a little homework. How much did you spend on health care expenses last year? Choose an amount that's close to what you think you'll need during the plan year.

FSA Eligibility

All full and part-time classified and faculty employees who are eligible to participate in the State Health Benefits Program may participate in Health and Dependent Care FSAs. Changes to your employment status could affect your eligibility. For more information, contact your agency Benefits Administrator.

New Hires

The initial election period is within 30 calendar days of your hire date or the date you become newly eligible for the State Health Benefits Program. If you enroll, your FSA will be effective the first of the month coinciding with or following the date of employment, or the date you become newly eligible for the State Health Benefits Program. No election changes are allowed after your FSA has taken effect unless you experience a consistent Qualifying Life Event (QME).

FSA Questions?

During Open Enrollment: You'll find helpful guides and FAQs online at www.payflex.com. Or call **1-855-516-8595 (TTY:711)**, Monday through Friday, from 7 a.m. to 7 p.m., and Saturday 9 a.m. to 2 p.m. CT.

Starting July 1: Register for your online account at www.payflex.com. You can register at any time. Use your online account to monitor your purchases and account balance, submit reimbursement requests, and find helpful resources and plan details.

When you register, you'll simply need to provide your 9-digit employee ID# (which includes 2 leading zeros) and confirm part of your debit card # received with your FSA Welcome Letter. You'll also need to confirm your contact information, create your security questions and create a user name and password. Your FSA Welcome Letter will be mailed to you when you enroll.

HEALTH CARE FSA

Learn about Health Care FSA

A Health Care FSA allows you to set aside part of your income on a pre-tax basis to pay for eligible out-of-pocket health care expenses for you, your spouse, and your eligible tax dependents. With a Health Care FSA, you can reduce your taxable income and the associated tax liability. That's because you can use the pre-tax dollars that are deducted from your pay on a pre-tax basis to pay for eligible health care expenses like copays and coinsurance that you may now be paying for with after-tax dollars.

Save Money with a Health Care FSA

Your FSA contributions are deducted from your paycheck before taxes are taken out. How much you save depends on your income tax bracket. For example, if you're in a 30 percent tax bracket, you can save \$30 for every \$100 that you put into your FSA. So, if you put \$1,000 into your Health Care FSA, you increase your annual take home pay by \$300* (not including the impact of your FSA deduction).

To see the full benefit of having an FSA, check out this savings example (assumes 30% tax bracket):

Salary	\$40,000/year
Taxes paid with no FSA	\$12,000
FSA contribution	\$2,600
Taxes paid with FSA	\$11,220
Take home pay	\$26,180
Extra cash from FSA savings	\$780

Health Care FSAs

Your Health Care FSA may be used to reimburse eligible health care expenses incurred by:

- yourself
- your spouse
- your qualifying child or qualifying adult child
- your qualifying relative

An individual is a qualifying adult child if they do not attain age 27 during your taxable year and they have the following relationship to you:

- son/daughter or stepson/daughter
- eligible foster child
- legally adopted child or legally placed with taxpayer for adoption

An individual is a qualifying child if they are not someone else's qualifying child and:

- are a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- have a specified family-type relationship to you

An individual is a qualifying relative if they are a U.S. citizen, national or a resident of the U.S., Mexico or Canada and:

- have a specified family-type relationship to you, are not someone else's qualifying child and receive more than one-half of their support from you during the taxable year, or
- if no specified family-type relationship to you exists, are a member of and live in your household (without violating local law) for the entire taxable year and receive more than one-half of their support from you during the taxable year.

NOTE: There is no age requirement for a qualifying child if they are physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish a Health Care FSA.

*FSA contributions are deducted before federal and most state taxes. Savings vary depending on your tax bracket. Check with your tax advisor for details regarding your state taxes and your potential tax savings.

Important Health Care FSA Rules

Contributions

The total amount you contribute to an FSA each year is called an “annual election.” You can elect up to \$3,050 per plan year.

Your full Health Care FSA election amount is available on the first day of your coverage period, but your contributions will be taken out of your paycheck in equal amounts during your coverage period.

Transferring Funds

- Funds cannot be transferred between FSAs.
- You cannot pay a dependent care expense from your Health Care FSA or vice-versa.
- You cannot transfer funds to your spouse’s FSA or an FSA you may have in the upcoming plan year.

Incurred Expenses

Your eligible Health Care FSA expenses must be incurred during the coverage period. This means the medical treatment or services must take place during the coverage period, not when you are billed or pay for the care you received.

Double-dipping

Expenses reimbursed under your Health Care FSA can’t be reimbursed under any other plan or program. Only your out-of-pocket health care expenses are eligible for reimbursement. Plus, expenses reimbursed under a Health Care FSA can’t be deducted when you file your tax return.

Election Changes

Your election can’t be changed during the plan year unless you have a change in status or other Qualifying Life Event (QME) that’s defined by IRS rules. Qualified changes in status may include:

- A change in legal marital status (marriage, divorce or death of your spouse)
- A change in the number of your dependents (birth or adoption of a child, or death of a dependent)
- A change in your employment status, or the employment status of your spouse or dependent
- An event causing your dependent to satisfy or cease to satisfy an eligibility requirement for benefits

Generally, two things decide if an election change is permitted. First, you must experience a change in status or other qualifying event. Second, your requested change must be consistent with the event. For example, if you have a baby, you may want to increase your election amount. Divorce from a spouse may allow you to decrease your election.

Termination

If you stop working for the Commonwealth of Virginia or lose your FSA eligibility, your plan participation and your pre-tax contributions will stop at the end of the month. Expenses for services you have after your plan termination date are not eligible for reimbursement. Health Care FSAs are eligible for account continuation under Extended Coverage.

NOTE: You have three months from your account termination date to submit reimbursement requests and documentation for eligible expenses incurred during your coverage period.

Health Care FSA Expenses

Only eligible expenses can be reimbursed under the FSA. These include eligible health care expenses for you, your spouse, and your eligible tax dependents. Your FSA plan expenses are defined by IRS rules and the Commonwealth of Virginia.

Eligible Health Care FSA expenses are those you pay for out of your pocket for medical care. Generally, IRS rules state that medical care is meant to diagnose, cure, mitigate, treat, or prevent illness or disease. Transportation that is primarily for medical care is also included.

Typical FSA-Eligible Expenses

Use your FSA to save on hundreds of products and services for you and your family. Eligible expenses are defined by the IRS. On March 27, 2020, the government enacted the CARES Act

which, effective January 1, 2020, allows participants to use their Health Care FSA for over-the-counter (OTC) medications. This could include aspirin, ibuprofen, and cough or flu medicines without a prescription from a doctor. The CARES Act also allows reimbursement for feminine hygiene products. For more information about eligible items, go to **www.payflex.com**. After you log in, go to "Help & Support" and click on the link for "Explore Eligible Health Care Expenses." You can then search alphabetically by item. Some non-medication items may be eligible for reimbursement but will require a PayFlex Letter of Medical Necessity form which must be completed by your doctor and sent to PayFlex to verify the charge on your card. This form is available on the **www.payflex.com** member website under "Documents & Forms" — select "Administrative Forms." For more information or additional support regarding a Letter of Medical Necessity, call **855-516-8595**.

Sample of Eligible medical expenses:

- Acupuncture
- Ambulance service
- Birth control pills and devices (over-the-counter and prescription)
- Breast pumps
- Chiropractic care
- Contact lenses (corrective)
- Dental fees (other than cosmetic)
- Diagnostic tests/health screening
- Doctor fees
- Drug addiction/alcoholism treatment
- Experimental medical treatment*
- Eyeglasses
- Feminine hygiene products*
- Guide dogs
- Hearing aids and exams
- In vitro fertilization*
- Nursing services
- Optometrist fees
- Orthodontic treatment
- OTC and personal protective equipment
- Prescription drugs
- Smoking cessation programs/treatments
- Surgery (other than cosmetic)
- Transportation/travel expenses for medical care (including mileage, tolls and parking)
- Weight-loss programs*/meetings*
- Wheelchairs, crutches and walkers
- X-rays

*For details and a complete list of eligible expenses, visit:

<https://www.payflex.com/en/individuals/products-programs-health-care-fsa.html> or by calling **1-855-516-8595**.

Expenses that are not approved are called "ineligible expenses"

Ineligible Health Care FSA Expenses include:

- Cosmetic surgery and procedures, including teeth whitening
- Herbs, vitamins and supplements used for general health
- Insurance premiums
- Personal use items such as toothpaste, shaving cream and makeup
- Prescription drugs imported from another country

Also, you can't use your FSA funds for:

- Services that take place before or after your coverage period
- Expenses that are reimbursed by another plan or program, including a health care plan

Special Rules for Orthodontia Expenses

Orthodontic services aren't provided the same way as other types of health care. Most of the time, they're provided over a long period of time and may extend beyond the plan year. Orthodontic services tend to be hard to match up with actual costs. As a result, the reimbursement process is different.

You're required to submit one of the following to PayFlex® with your claim form:

- An itemized **statement/paid receipt**
- The orthodontist's **contract/payment agreement**
- Monthly **payment coupons**

You Have Three Ways to be Reimbursed:

1. Coupon Payment Option

You can submit an itemized statement of your orthodontia expenses after you or someone in your family receives an eligible service. Submit this documentation to PayFlex along with a completed claim form.

2. Monthly Payment Option (Automatic Monthly Reimbursement for Orthodontia)

To set up automatic ortho payments, download a claim form from the PayFlex member website. You can find it under Documents & Forms. Complete all required fields and make sure to check the box for Automatic Monthly Reimbursement for Orthodontia expenses.

You must also include a copy of your orthodontia contract/agreement with your first claim.

- Once the claim is processed, PayFlex will automatically reimburse you each month, according to the agreement. PayFlex will reimburse you on a monthly basis near the due date stated on your orthodontia contract agreement.
- Your contract/payment agreement with the orthodontist should include the following:
 - > Patient name
 - > Date the service begins
 - > Length of service
 - > Charges for the initial banding work
 - > Dollar amount charged each month

KEEP IN MIND: If you enroll in Auto Pay, you can't use the PayFlex Card®, your account debit card, to pay for orthodontia expenses.

3. Total Payment Option

If you paid the full amount when the orthodontia treatment began, you can request reimbursement for the treatment amount, minus the amount covered by your dental insurance. PayFlex can reimburse you up to your FSA election amount minus any previous FSA reimbursements. If you have already submitted other claims, make sure to check your FSA balance online to confirm the amount you have available to cover your orthodontia treatment.

NOTE: If you choose the total payment option, please remember a paid receipt must be submitted to PayFlex and can only be submitted once for reimbursement.

Reimbursement Requests

Eligible expenses you incur during the plan year can be reimbursed through your Health Care FSA by submitting a completed Flexible Spending Account Claim Form, along with proper supporting documentation. Acceptable IRS required documentation:

For office visits, hospitalization, or other services —

A health plan Explanation of Benefits (EOB) or an itemized statement from the provider that includes the patient's name, a description of the service, the original date of service and your portion of the charge.

For prescription drugs — A pharmacy statement or printout including the patient's name, the Rx number, the name of the drug, the date the prescription was filled and the amount.

NOTE: Credit card receipts, canceled checks and balance forward statements do not meet the requirements for acceptable IRS required documentation.

Reimbursement Payments

Your Health Care FSA has a daily payment schedule. With this schedule, there is no additional waiting period for reimbursements. Once your request has been reviewed and approved, your payment is scheduled, and your reimbursement is issued within the next business day.

Reimbursement Deadlines

Expenses submitted for reimbursement through your Health Care FSA must be incurred during the coverage period. Your Health Care FSA also includes a run-out period. The run-out period is a three-month predetermined period following the end of the plan year or the end of your coverage period. During this time, you may file claims for expenses incurred during the coverage period. Claims and the documentation must be received before the reimbursement deadline. After the run-out period ends, you will lose any unused dollars left in your Health Care FSA.

You can submit a claim or find forms by logging in to your account at www.payflex.com or by calling customer service at **855-516-8595**.

Your PayFlex Card®

One of the best features of your Health Care FSA is the PayFlex Card® which gives you easy access to your Health Care FSA funds. It's the easiest way to pay! Use your card to pay for your eligible Health Care FSA expenses at qualifying health care providers and merchants that accept Mastercard.

If you are a new participant, your card will be mailed to you. Call the toll-free number on the sticker on the front of the card and then follow the prompts.

Once you activate your card, sign your name on the back and then you're ready to go. If you already have a card, continue to use that card through the expiration date.

Participants automatically receive a new card when the current card expires. Cards for dependents are also reissued when a participant card expires.

Using Your PayFlex Card®

Your PayFlex Card® makes paying for eligible health care expenses easy with quick access to your Health Care FSA funds. There's no more waiting on a reimbursement check since your eligible expense is paid right away.

You may use your card at health care providers or merchants that have health care-related merchant category codes. These include doctors, dentists, vision care offices, hospitals and other health care providers. You can also use your card at grocery stores, discount stores and drugstores that use an Inventory Information Approval System (IIAS).

You may not use your benefit card at any merchant that does not have a health care-related merchant category code unless that merchant utilizes an IIAS.

IMPORTANT: You may not use your card after June 30 to pay for expenses from the previous plan year. You may only use your card for expenses incurred on or after July 1 of each plan year. File paper claims for the previous plan year's expenses after June 30.

When using your card, the amount of the purchase is automatically taken from your Health Care FSA, and the money is transferred instantly to the provider or merchant. The card system will confirm your account status, the status of your benefit card, the merchant category code and the funds that are in your Health Care FSA.

Paying for Eligible and Ineligible Expenses

When you use your PayFlex Card at an IIAS merchant (point of sale card machine), you may only pay for eligible expenses.

Here's an example: You need to fill a regular prescription, and you also want to get aspirin, bandages and a toothbrush. You first head to the pharmacy to turn in your prescription. Then you pick up the aspirin, bandages and toothbrush. You use your PayFlex card to pay for the eligible expenses: your regular prescription and the aspirin and bandages. You may not use the card for the toothbrush because it is not an allowed expense, per IRS guidelines. You will need to pay for the toothbrush another way (cash, credit or debit card etc.).

Save Your Receipts

Some debit card expenses are approved without the need for supporting documentation. IRS rules require us to review all card purchases. That means you may need to send us proof of your card purchases if we ask for it. You must keep copies of all itemized receipts and other supporting documentation (not the credit card receipt) for each card purchase.

Disputing a Benefit Card Transaction

Mastercard allows 60 days from the transaction date to dispute a charge. Call **1-855-516-8595 (TTY-711)** to speak with a PayFlex representative regarding a dispute.

Real-time Alerts

Just let us know how you want to get your FSA notifications — by email, online alert or text message. Setting up your account is a breeze.

Log in to your PayFlex member website.

1. Click Account Settings from the top navigation.
2. Select Account Notifications.
3. Select the notifications you want to sign up for.

When Documentation Isn't Required

Most card purchases are automatically approved, and there's no need for supporting documentation. Some examples include:

- IAS-Approved Expense: You buy eligible items at a grocery store, discount store or drugstore that is an IAS merchant.
- Copay Matching: The FSA expense matches a specific copay under your employer's medical, vision, or dental plan.
- Recurring Expense: This is the same as an expense that's already been approved. That is, the cost, timing, and medical office are the same.
- Electronic File: In some situations, your health, dental or vision plan will send your claim information electronically.

Online Tip

Upload supporting documents through your online account. It's the quickest way to clear up transactions that need to be resolved.

PLEASE NOTE: Save all itemized receipts every time you use your PayFlex Card®. Do this even if you think the expense meets the above standards.

Lost Receipts and Ineligible Transactions

If you're asked to send in supporting documentation and can't find your receipt, please ask for a copy from your doctor or pharmacist. You may find statements and Explanation of Benefits (EOBs) on your health plan's website. You should keep original receipts for OTC purchases since stores rarely keep those copies.

If your PayFlex Card® is misused to pay for an ineligible expense, you will need to pay back the plan out of your own pocket. If you do not pay back the plan by the due date, your PayFlex Card® will be deactivated. In addition, any request for reimbursement for paper claims you submit after that date will be used to pay the balance you owe the plan. Failure to clear unresolved transactions may result in taxes owed.

A process known as "offsetting" can help clear up unresolved transactions. To offset, you send in supporting documentation for another eligible expense that you've paid out of your pocket. This will cover the cost of the unresolved transaction.

Tax Consequences

If you do not pay back your plan or offset your unresolved card transactions by the plan's deadline and before your run-out period ends, the unresolved amount may be withheld from your pay or you may owe more in taxes. The Commonwealth of Virginia will reclassify unresolved amounts that you owe the FSA that are not withheld from your pay as taxable income. This amount will be added to your Form W-2 for the applicable tax year.

IMPORTANT: If your PayFlex Card® is suspended, you cannot use it to access funds from your FSA until you clear up all unresolved transactions that have an expired deactivation deadline.

Card Termination

Your PayFlex Card® will be deactivated when your FSA terminates. If you have incurred qualified expenses prior to your account termination date, you should file a paper claim for those expenses. Do this by sending in a Flexible Spending Account Claim Form along with the supporting documents. Plus, if you have unresolved PayFlex Card® transactions requiring action, you will need to clear them to avoid paying additional taxes.

NOTE: You have three months from the end of your coverage period to submit reimbursement and verify unresolved card transactions.

KEEP IN MIND: that your allowed purchases must have been incurred during your coverage period.

DEPENDENT CARE FSA

Learn about Dependent Care FSA

A Dependent Care FSA is a plan sponsored by the Commonwealth of Virginia that allows you to set aside part of your income on a pre-tax basis to pay for eligible dependent care expenses throughout the coverage period. You save money on expenses you're already paying for, like child care and preschool.

Save Money with a Dependent Care FSA

If you have young children or dependent relatives, who are considered "qualifying individuals," you can benefit from this plan. Setting aside pre-tax dollars means you pay fewer taxes and increase your take-home pay. You also save money on expenses that you're paying for out of your pocket. How much you save depends on your tax bracket. For example, if you're in the 30 percent tax bracket, you can save \$30 on every \$100* spent on eligible expenses like daycare, after-school care, elder day care and much more.

Find a full list of eligible FSA expenses at www.payflex.com

*FSA contributions are deducted before federal and most state taxes. Savings vary depending on your tax bracket. Check with your tax advisor for details regarding your state taxes and your potential tax savings.

Dependent Care FSAs

You may use your Dependent Care FSA to receive reimbursement for eligible dependent care expenses for qualifying individuals.

A qualifying individual includes a qualifying child, if they:

- are a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- have a specified family-type relationship to you
- live in your household for more than half of the taxable year
- are under the age of 13 years old
- have not provided more than one-half of their own support during the taxable year

A qualifying individual includes your spouse, if they:

- are physically and/or mentally incapable of self-care
- live in your household for more than half of the taxable year
- spend at least eight hours per day in your home.

A qualifying individual includes your qualifying relative, if they:

- are a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- are physically and/or mentally incapable of self-care
- are not someone else's qualifying child
- live in your household for more than half of the taxable year
- spend at least eight hours per day in your home
- receive more than one-half of their support from you during the taxable year

NOTE: Only the custodial parent of divorced or legally-separated parents can be reimbursed using the Dependent Care FSA.

Important Dependent Care FSA Rules

Qualifying Individuals

Your dependent care expenses must be for a qualifying individual. A qualifying individual is:

- Your dependent child under the age of 13 who lives with you for more than half the year.
- Your spouse or other qualifying dependent who is physically or mentally incapable of self-care and lives with you for more than half the year.

Work-related Expenses

The care provided to your dependent must be so you (and your spouse if you're married) can work or look for work. "Work" may include actively looking for a job. It doesn't include unpaid volunteer work or volunteer work for a nominal salary. Your spouse is considered to have worked if he or she is a full-time student for at least five calendar months during the tax year or if he or she is incapable of selfcare. If you're sick, the fees you pay for dependent care when you aren't working generally are not eligible for reimbursement. But there is an exception to this rule. Temporary absences from work may be disregarded if you have to pay for dependent care expenses during your illness. Whether an absence is for a short time depends on the situation but, as a rule, the IRS says that an absence of up to two weeks in a row due to illness or vacation is a short-term or temporary absence.

Part-time Employees

As a rule, you must divide expenses between the days you work and the days you don't. However, if you work part-time but are required to pay for dependent care expenses for a specific time frame (including non-working days), you do not have to allocate expenses between days worked and days not worked. Check out these examples.

Allocation Required — For example, you work three days a week and choose to put your child in day care five days a week to help you stay gainfully employed. Your cost for the childcare is \$50 per day and \$250 for the week. Because you work part-time and are not required to pay the full \$250 expense, you must allocate your expenses according to your days worked. In this case, your allocated expenses equal \$150 (\$50 per day for the three days worked).

Allocation Not Required — The facts are the same as above, but in this case, the day care requires you to pay the full \$250 weekly fee no matter how many days of the week your child is there. Here, the full \$250 expense may be considered an employment-related expense and allocation of the expense based on days worked is not required.

Contributions

The total amount you contribute to an FSA each year is called an "annual election." You can elect up to \$5,000 for the plan year.

If you're married and file separate tax returns, the maximum is \$2,500. Keep in mind, your annual contribution limit may be less based on earned income and tax filing status.

- If you are single, the earned income limit is your salary.
- If you're married and file separate tax returns, the maximum is \$2,500
- If you are married and file a joint tax return, your combined maximum election amount is \$5,000

Available Funds

While a Health Care FSA allows access to your entire election amount on the first day of the coverage period, a Dependent Care FSA does not. Your total Dependent Care FSA election amount is deducted from your paycheck in equal amounts throughout the coverage period. You can use your Dependent Care FSA funds during the coverage period as long as funds are in your account.

Double-dipping

Expenses reimbursed under your Dependent Care FSA can't be reimbursed under your spouse's Dependent Care FSA and vice versa. You can't "double-dip" from both accounts for the same expenses.

Election Changes

Your election can't be changed during the plan year unless you have a change in status or other Qualifying Life Event (QME) that's defined by IRS rules. Qualified changes in status may include:

- A change in legal marital status (marriage, divorce, or death of your spouse).
- A change in the number of your dependents (birth or adoption of a child, or death of a dependent).
- A change in your employment status, or the employment status of your spouse or dependent.
- An event causing your dependent to satisfy or cease to satisfy an eligibility requirement for benefits.
- Dependent Care Cost of Coverage Change

Generally, two things decide if an election change is permitted. First, you must experience a change in status or other qualified event. Second, your requested change must be consistent with the event. For example, if you have a baby, you may want to increase your election amount.

In addition, a child's eligibility as a dependent ends on the day before his or her 13th birthday—not at the end of the month. At this time, you may request an election change and decrease your election or terminate your participation in the Dependent Care FSA plan.

Your change will be effective the first of the month following receipt of the election request.

NOTE: Expenses incurred on or after the child's 13th birthday may not be reimbursed.

Termination

If you stop working for the Commonwealth of Virginia or lose your FSA eligibility, your plan participation and your pre-tax contributions will stop at the end of the month.

Unlike the Health Care FSA, the Dependent Care FSA is not eligible for continuation under Extended Coverage.

NOTE: You have three months from your termination date to submit reimbursement requests for eligible expenses.

Estimate Your Savings

To keep from losing money, do a little homework. How much did you spend on dependent care expenses last year? Choose an election amount that's close to what you plan to spend during the plan year. Estimate your eligible expenses by using our savings calculator at: <https://www.payflex.com/en/individuals/products-programs-dependent-care-fsa.html>

Important Dependent Care FSA Tax Information

Reporting Requirements

When participating in a Dependent Care FSA, you must identify all persons or organizations that provide care for your child or dependent. You do this by filing IRS Form 2441—Child and Dependent Care Expenses, along with your Form 1040 each year. Please note that filing requirements are subject to change by the IRS. Please consult your tax advisor for more information.

Dependent Care FSA vs. Dependent Care Tax Credit

You can't claim any other tax benefit for the tax-free amounts that you receive under the Dependent Care FSA. This is the case even though the balance of your eligible, work related dependent care expenses (if any) may be eligible for the dependent care credit. In limited situations, it may be to your benefit to take advantage of the tax credit rather than participate in the Dependent Care FSA. Be sure to talk to your tax advisor for advice.

Reimbursement Requests

Eligible expenses you incur during the plan year can be reimbursed through your Dependent Care FSA by submitting a completed Flexible Spending Account Claim. Two things to consider first:

- Did the provider sign the certification section on the form? If so, just send us the completed form.
- If the provider certification is not completed and signed, you must submit an itemized statement from your dependent care provider. This statement must have the dates of service, the name and birth date of each dependent, an itemization of charges, and the provider's name, address, and Tax ID or Social Security number.

Reimbursement Payments

Your Dependent Care FSA plan has a daily payment schedule. With this schedule, there is no additional waiting period for reimbursements. Once your request has been reviewed and approved, your payment is scheduled and your reimbursement is issued the next business day. If your reimbursement request exceeds your account balance, your FSA will pay up to the amount available in your account, and pay the outstanding amount once additional funds are available.

Pay After Termination

When your Dependent Care account ends you have additional time to incur and file Dependent Care claims in order to use your remaining Dependent Care balance. You have up to an additional 90 days to incur expenses, or the end of your plan year, whichever happens first. Note that the 90 days to incur claims cannot exceed the plan year end date of 06/30.

Reimbursement Deadlines

Expenses submitted for reimbursement through your Dependent Care FSA must be incurred during your coverage period. Your Dependent Care FSA also includes a run-out period. The run-out period is a three-month predetermined period following the end of the plan year or the end of your coverage period. During this time, you may file claims for expenses incurred during your coverage period. Claims must be received before the reimbursement deadline. After the runout period ends, you will lose any unused dollars left in your Dependent Care FSA.

You can submit a claim or find forms by logging in to your account at www.payflex.com or by calling customer service at **855-516-8595**.

Dependent Care FSA Expenses

The IRS defines eligible expenses as those incurred for the care of one or more eligible dependent children or relatives.

Typical eligible expenses include:

- Child day care
 - Before and after-school care
 - Preschool or nursery school
 - Extended day programs
 - Au pair services (amounts paid for the actual care of the dependent)
 - Babysitter (in or out of your home)
 - Elder day care for a qualifying individual
 - Nanny services (amounts paid for the actual care of the dependent)
 - Summer day camp for your qualifying child under the age of 13
-

Ineligible Expenses

Ineligible Dependent Care FSA Expenses include:

- Money paid to your spouse, your child under 19, a parent of your child who is not your spouse, or a person for whom you or your spouse, or a person who you or your spouse is entitled to a personal tax exemption as a dependent
- Expenses related to care for a disabled spouse or tax dependent living outside your home
- Educational expenses (such as summer school and tutoring programs)
- Tuition for kindergarten and later grades
- Food expenses (unless it can't be separated from care)
- Incidental expenses (such as extra charges for supplies, special events or activities, unless it can't be separated from care)
- Overnight camp
- Expenses related to a dependent's medical care

FSA WORKSHEETS

See For Yourself How Your Savings Can Add Up

How much you save depends on how much you spend on health and dependent care, and on your tax situation. To estimate your expenses and see for yourself how your savings can add up, use the worksheets below to determine how much to contribute to your account(s). Calculate the amount you expect to pay during the plan year for eligible out-of-pocket medical and/or dependent care expenses. This calculated amount cannot exceed established IRS and plan limits.

Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you.

Health Care FSA Worksheet

Estimate your eligible, uninsured out-of-pocket medical expenses for the plan year. IRS contribution limits for the Health Care FSA are based on the plan year (July 1 – June 30), not the calendar year.

Improper FSA Payments

Since FSAs are regulated by IRS rules, you must resolve any improper FSA payments of claims (Health Care FSA claims, PayFlex Debit Card transactions, and Dependent Care FSA claims) to avoid the Commonwealth of Virginia taking further action.

Examples of Improper FSA Payments

Health Care FSA claims: Let's say you submit supporting documentation for benefit card transactions, but you use a Request for Reimbursement Form instead of a Return Form. If a Health Care FSA claim is improperly paid as a duplicate reimbursement, you will need to repay the FSA plan.

Benefit card transactions: At the doctor's office, you swipe your benefit card for health care services provided. However, the charges included an expense from the previous FSA plan year, which is an ineligible expense. If you have a benefit card transaction that is improperly paid for an ineligible expense, you will need to pay back the FSA plan.

Dependent Care FSA claims: Suppose that you stop working for the Commonwealth of Virginia. Any Dependent Care FSA claims improperly reimbursed due to retroactive changes in eligibility will need to be paid back to the FSA plan.

ATTENTION!

Steps to Correct Improper FSA Payments

Failure to resolve improper payments has consequences, such as the suspension of your benefit card and withholding the amount you owe from your pay.

- If you receive a notice about an improper FSA payment, just follow the instructions for paying back the FSA plan out of your own pocket or by offsetting the amount due with another eligible expense that you haven't submitted for reimbursement; or
- If the notice you receive applies to your benefit card and you do not pay back the plan by the due date listed, your benefit card will be deactivated and any reimbursement for paper claims you submit after that date will be used to pay the balance you owe the plan; or
- The Commonwealth of Virginia may withhold the amount of the improper payment from your pay or other compensation allowed by applicable law; or
- The Commonwealth of Virginia will reclassify the amount you owe the FSA plan as taxable income if you don't pay back your FSA plan or offset the amount you owe before the run-out period ends. Your Form W-2 for the applicable tax year will include the amount you owe the FSA plan.

Changing Your Election

You can enroll in or change your Flexible Spending Account (FSA) election(s) or vary your salary reduction amounts you have selected during the plan year, only under limited circumstances as provided by your state health plan and established IRS guidelines. Within 60 calendar days of a qualifying event, you must submit an election change request and supporting documentation to your agency Benefits Administrator. Election changes must be consistent with the event. The Commonwealth of Virginia will review, on a uniform and consistent basis, the facts and circumstances of each properly completed and timely submitted mid-plan year election change request. Upon the approval of your request, your existing FSA election(s) will be stopped or modified (as appropriate). You may not change your election after the effective date, unless you experience a Qualifying Life Event (QME).

A few examples of Qualifying Life Events (QME) include:

- Change in marital status.
- A change in number of dependents includes birth, death, adoption and placement for adoption.
- Change in employment status of the employee, or a spouse or dependent of the employee that affects the individual's eligibility under an employer's plan, including termination of employment.
- An event that causes the gain or loss of a dependent's eligibility status.
- Change in dependent care providers or a change in the cost of dependent care services. However, if a relative (who is related by blood or marriage) provides custodial care for your eligible dependent, you cannot change your salary reduction amount solely on a desire to increase or decrease the amount being paid to that relative.

When you cancel or decrease your FSA election to zero due to a status change, your account ends and you may only be reimbursed for expenses incurred up to the end of that coverage period.

For more information on Enrolling or Making Changes to your Flexible Spending Account(s), visit www.dhrm.virginia.gov or see your agency's Benefits Administrator.

What is My Coverage Period?

Your coverage period for incurring expenses is based on your participation in the program. If you make a permitted mid-plan year election change it may affect your coverage period. For a Health Care FSA, a mid-plan year election change will result in split periods of coverage, creating more than one coverage period within a plan year with expenses reimbursed from the appropriate coverage period. Money from a previous coverage period can be combined with amounts after a permitted mid-plan year election change. However, expenses incurred before the permitted election change can only be reimbursed from the amount of the balance present in the Health Care FSA prior to the change.

Mid-plan year election changes are approved only if the change is on account of and corresponds with the event according to the IRS regulations governing the plan.

PLEASE NOTE: Split periods of coverage do not apply to Dependent Care FSAs.

What are the IRS Special Consistency Rules Governing Change in Status?

1. Loss of Dependent Eligibility — If a change in your marital or employment status involves a decrease or cessation of your spouse's or dependent's eligibility requirements for coverage due to: your divorce, your spouse's or dependent's death or a dependent ceasing to satisfy eligibility requirements, you may decrease or cancel coverage only for the individual involved. You cannot decrease or cancel any other individual's coverage under these circumstances.

2. Gain Coverage Eligibility Under Another Employer's Plan

— If you, your spouse or your dependent gains eligibility for coverage under another employer's plan as a result of a change in marital or employment status, you may cease or decrease that individual's coverage if that individual gains coverage, or has coverage increased under the other employer's plan.

3. Dependent Care Expenses — You may change or terminate your Dependent Care FSA election when a Change in Status (CIS) event affects (i) eligibility for coverage under an employer's plan, or (ii) eligibility of dependent care expenses for the tax exclusion available under IRC § 129.

When Coverage Ends

Health Care FSAs

If you experience an event affecting your active employment status, such as termination of employment, unpaid leave or retirement, you may qualify to continue to contribute to your Health Care FSA on an after-tax basis. Contact your agency Benefits Administrator within 60 calendar days of the event to discuss continuation of your Health Care FSA through Extended Coverage.

If you do not elect to continue your participation in the Health Care FSA through Extended Coverage, in most cases your participation in the program will end the last day of the month in which your active employment status changed. If you do elect to continue participation in the Health Care FSA through Extended Coverage, you will make after-tax monthly contributions to your Health Care FSA along with the administrative fee. This will allow you to receive reimbursements on eligible health care expenses incurred during your coverage period. Your Health Care FSA coverage will not be continued beyond the plan year in which the Extended Coverage qualifying event occurred.

Dependent Care FSAs

You cannot continue contributing to your Dependent Care FSA under Extended Coverage. You can, however, continue to request reimbursement for eligible expenses until you exhaust your account balance or your run-out period ends.

Appeals

To Appeal a Denied Dependent Care FSA Claim

If you feel your claim was denied in error, you have the right to file an appeal by explaining in writing why you believe the claim should be approved. Your appeal may be submitted by logging into your PayFlex account, PayFlex Mobile® app, mail or fax to PayFlex. To appeal by traditional mail, send your request to the following address:

PayFlex Systems USA, Inc

Appeals
PO BOX 2495
Omaha, NE 68103

Or you may fax your request to **1-888-238-3539**.

Appeals (cont.)

- Your appeal must be received within 60 days of the date you receive notice that your claim was denied.
- You will be notified of the decision regarding your appeal in writing by PayFlex FSA within 60 days of receipt of your written appeal. The appeal decision on review is the Third-Party Administrator's (PayFlex FSA) final decision. If you appeal this claim again, your employer has the final coverage decision.
- You can request copies of all documents and information related to your denied claim. These will be provided at no charge.

To Appeal a Denied Health Care FSA Claim

If you feel your claim was denied in error, you have the right to file an appeal by explaining in writing why you believe the claim should be approved. Your appeal may be submitted by logging into your PayFlex account, PayFlex Mobile® app, mail or fax to PayFlex. To appeal by traditional mail, send your request to the following address:

PayFlex Systems USA, Inc

Appeals
PO BOX 2495
Omaha, NE 68103

Or you may fax your request to **1-888-238-3539**.

- Your appeal must be received within 180 days of the date you receive notice that your claim was denied.
- You are welcome to submit additional information related to your claim along with your appeal, such as: written comments, documents, records, a letter from your health practitioner indicating medical necessity of the denied product or service, and any other information you feel will support your claim.

Appeal Review Process for FSA Claims

- Your appeal will be reviewed by a person who was not involved with the initial claim denial and who is not a subordinate of any person who was.
- The review will be a fresh look at your claim and appeal without deference to the initial denial and will take into account all information submitted with your claim and/or appeal.
- You will be notified of the decision regarding your appeal in writing by PayFlex FSA within 60 days of receipt of your written appeal.

The appeal decision on review is the Third Party Administrator's (PayFlex FSA) final decision. After the PayFlex FSA appeal procedures have been exhausted, you may request an appeal with the Department of Human Resource Management (DHRM).

Your appeal should be submitted in writing to the Director of DHRM. Appeals to the Director must be filed within four (4) months of the notice of the adverse determination. To file such an appeal, you or your authorized representative must submit the following information to the Director of DHRM:

- Your full name
- Your identification number
- Your address
- Your telephone number
- A statement of the adverse decision you are appealing
- What specific remedy you are seeking in filing this appeal

You may download an appeals form at

www.dhrm.virginia.gov.

To appeal by traditional mail, send your request to the following address:

Director, Virginia Department of Human Resource Management
101 N. 14th Street – 12th Floor
Richmond, VA 23219

Please mark the envelope: Confidential — Appeal Enclosed.

Or you may fax your request to **1-804-786-0356**. To use e-mail, send your request to **appeals@dhrm.virginia.gov**.

You have the right to submit written comments, documents, records, and other information supporting your claim. The appeal will take into account all information that you submit, regardless of whether it was submitted or considered in the initial determination.

DHRM does not accept appeals for matters in which the sole issue is disagreement with policies, rules, regulations, contract or law. If you are unsure whether a determination can be appealed, contact the Office of Health Benefits at **1-804-225-3642** or **1-888-642-4414**.

You are responsible for providing DHRM with all information necessary to review your request. You will be allowed to submit any additional information you wish to have considered in this review, and you will have the opportunity to explain, in person or by telephone, why you think the determination should be overturned.

These appeals will be decided by the Director of DHRM, who will render a written decision. If the decision is not in your favor, you have the right to further appeal through the Administrative Process Act. The circuit court ruling is binding on all parties. The Virginia Administrative Process Act addresses court review of administrative decisions at Va. Code §2.2-4025 through Va. Code §2.2-4030. Part 2A of the Rules of the Virginia Supreme Court addresses appeals through the Administrative Process Act.

Extended Coverage

What is Continuation Coverage?

The right to continuation of coverage was created for private employers by federal law through the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), and these rights are reflected in the continuation coverage provisions of the Public Health Service Act which covers employees of state and local governments. Federal law requires that most group health plans, including Health Care FSAs, give employees and their families the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan.

How Long Will Continuation Coverage Last?

For Health Care FSAs

If you have not already received as reimbursement the maximum benefit available under your Health Care FSA for the coverage period, you may continue your Health Care FSA (on a post-tax basis) only for the remainder of the plan year in which your qualifying event occurs.

If you stop working for your employer or lose your FSA eligibility, your plan participation and your pre-tax contributions will end automatically. Expenses for services you have after your FSA account termination date will only be eligible if you elect Extended Coverage.

When and How Payment for Continuation Coverage Must be Made?

First Payment for Continuation Coverage

If you elect continuation coverage, you do not have to send any payment for continuation coverage with the Extended Coverage Election Form. However, you must make your first payment for continuation coverage within 45 days after the date of your election. (This is the date the Election Notice is post-marked, if mailed.) If you do not make your first payment for continuation coverage within the 45-day period, you will lose all continuation coverage rights under the Plan.

Your first payment must cover the cost of continuation coverage from the time your coverage under the Plan would have otherwise terminated up to the time you make the first payment. You are responsible for making sure that the amount of your first payment is enough to cover this entire period.

Periodic Payments for Continuation Coverage

After you make your first payment for continuation coverage, you will be required to pay for continuation coverage for each subsequent month of coverage. Under the Plan, these periodic payments for continuation coverage are due on the first day of each month. If you make a periodic payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace Periods for Periodic Payments

Although periodic payments are due based on the above schedule, you will be given a grace period of 30 days to make each periodic payment. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. If you pay a periodic payment later than its due date but during its grace period, your coverage under the Plan will be suspended as of the due date and then retroactively reinstated (going back to the due date) when the periodic payment is made. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated.

If you fail to make a periodic payment before the end of the grace period for that payment, you will lose all rights to continuation coverage under the Plan.

Life Insurance

Salaried state employees are automatically covered by Basic Group Life Insurance, and may purchase additional coverage under the Optional Group Life Insurance program.

- **Basic Group Life Insurance** begins on the first day of employment, and the premium is paid by VCU. The natural death benefit is twice your annual base salary. The coverage also includes Accidental Death & Dismemberment benefits, and an Accelerated Benefit for terminal diagnoses. The accidental death benefit is double the natural death benefit. Basic Group Life Insurance covers the employee only.
- **Optional Group Life Insurance** is available for purchase via payroll deduction. Employees who purchase optional coverage for themselves can also purchase optional coverage for a spouse and/or eligible children. During the first 31 days of eligible employment, guaranteed issue optional coverage is available regardless of health. After 31 days, evidence of insurability is required.
- The policyholder for Basic Group Life Insurance coverage and Optional Group Life Insurance coverage is the Virginia Retirement System (VRS), and the insurer is Securian/Minnesota Life.
- If you are transferring to VCU from another Commonwealth of Virginia employer, Optional Life Insurance coverage elected at your previous employer does not automatically continue at VCU. Re-enrollment is required to continue optional coverage.

Group Life Insurance

The **Virginia Retirement System (VRS)** administers the Group Life Insurance Plan.

Minnesota Life provides the coverage. If you have questions about your life insurance coverage, contact Securian's Richmond Office at:
 P.O. Box 1193, Richmond, VA, 23218-1193, or call 1-800-441-2258.

Eligibility

You are eligible to be covered by group life insurance if you are a permanent, salaried:

- State employee.
- Public school teacher, administrator, or clerical employee of a school division.
- An employee of a participating political subdivision, or a member of the support staff of a school board.

Employees who work on a temporary or wage basis are not eligible.

Amount of Coverage

The amount of your life insurance coverage is equal to your annual salary rounded to the next highest thousand, then doubled. This is the amount of the benefit payable upon natural death.

Salary	Rounded Salary	Insurance Amount
\$9,100	\$10,000	\$20,000
\$25,300	\$26,000	\$52,000
\$24,000	\$24,000	\$48,000

In addition to the amount that is payable upon a natural death, your life insurance also includes a number of *accidental death* benefits, as well as a *dismemberment* benefit and an *accelerated* benefit.

The following *Accidental Death* benefits are available:

1. If death is due to a covered accident, an *additional benefit* equal to the amount of the life insurance benefit is paid. This *accidental benefit* is paid in addition to the benefit that is paid for natural death.
2. If, as the result of a covered accident, an *insured employee dies at least 75 miles* from his or her principal place of residence, there will be an *additional accidental death*

benefit paid for the preparation and transportation of the insured's body to a mortuary. The benefit will be the lesser of:

- the actual cost for such preparation and transportation; or
- \$5,000.

3. If an insured employee *dies or suffers a covered dismemberment* as a result of a covered accident, which occurs while *driving or riding in a private passenger car*, an *additional benefit* equal to 10 percent of the amount payable due to the death or dismemberment will be paid, provided:

- the private passenger vehicle is equipped with *seatbelts**; and
- a *seatbelt* was in proper use by the insured at the time of the accident as certified in the official accident report or by the investigating officer; and
- at the time of the accident, the driver of the private passenger car was a licensed driver and was not intoxicated, impaired or under the influence of alcohol or drugs.

The maximum benefit payable under this seatbelt benefit is \$50,000.

**Seatbelt* means a properly installed seatbelt, lap and shoulder restraint, or other restraint approved by the National Highway Traffic Safety Administration or any successor governmental agency.

4. If an insured employee dies or suffers a dismemberment as a result of an accident caused by a felonious assault committed by other than an immediate family member, an additional accidental death or dismemberment benefit equal to the lesser of 25 percent of the amount otherwise payable due to such accidental death or dismemberment, or \$50,000, shall be paid.

In addition, if (i) an insured employee dies as a result of an accident caused by a *felonious assault* committed by other than an immediate family member, and (ii) such insured employee has a qualifying child at the time of such accident, a savings trust account shall be opened for each qualifying child pursuant to the Virginia College Savings Plan (§ 23-38.75 et seq.). The Virginia Retirement System shall contribute into the account of each such qualifying child an amount approximately equal to the current cost of purchasing in full a prepaid tuition contract for tuition and mandatory fees at a four-year public institution of higher education in the Commonwealth, as determined under § 23-38.75 et seq. The Virginia Retirement System shall be the contributor for each savings trust account, and the qualified beneficiary, as defined in § 23-38.75, shall be the qualifying child on whose behalf such account was opened. Specific benefits of the savings trust account shall be as defined by the Virginia College Savings Plan. The plan also includes a *dismemberment* benefit. This benefit pays an amount equivalent to either one-half or the entire amount of optional life insurance should an insured lose sight or suffer a severed limb or a combination of both, as a result of an accident.

The plan also allows an insured member to use his or her insurance while living.

Under the *accelerated benefit* provision, an insured may receive all or a portion of his or her insurance if diagnosed with a terminal illness with a life expectancy of 12 months or less.

The insured may apply to accelerate his or her benefit and receive payment while living.

Cost of Coverage

In many cases, the employer pays the premium for members. Otherwise, the premium may be automatically deducted from your salary. Your employer can advise you of the current premium.

When You Retire

After you retire, your life insurance continues at no cost to you provided you are at least age 55 with at least five years of service as an employee; or are age 50 with 10 years of service under Plan 1. Under Plan 2 or the Hybrid Retirement Plan you must be at least age 60 with five years of service or the combination of your age and service equals 90. Your life insurance also continues if you retire because of disability.

The amount of your life insurance reduces after retirement at a rate equal to 25 percent *on January 1 of the first full year* following the date you separated from service *and each year thereafter*, until it reaches 25 percent of its original value.

If you retire because of disability, your life insurance does not begin to reduce until you reach normal retirement age. Normal retirement age is age 65 for Plan 1 members: for Plan 2 and hybrid plan members, normal retirement age is your Social Security retirement age. Your insurance begins to reduce at a rate equal to 25 percent *on January 1 of the first full year* following the date, you reach your normal retirement date *and each year thereafter*, until it reaches 25 percent of its original value.

Life insurance for retirees with 30 years of creditable service cannot be reduced to less than \$8,000, and will be increased annually using the cost-of-living adjustment calculation for Plan 2 employees.

Accidental death and dismemberment coverage ceases when you retire.

Coverage While on Leave Without Pay

You can continue your life insurance coverage while you are on leave, including military leave, up to a total of 24 months if your premiums are submitted monthly through your employer.

If You Terminate Employment

If you terminate your employment, and have not become eligible to retire, your group life insurance coverage ends. However, you may convert to an individual whole-life policy at nongroup rates, by completing a Conversion to Classic Life enrollment form. This form is available from your employer or from Minnesota Life. The conversion must take place within 31 days of the last day of the month in which you terminate employment. Members who are eligible to receive a retirement benefit upon termination may not convert to an individual policy. Information on premiums and coverage for conversions can be obtained from the program's life insurance carrier, Minnesota Life.

If you meet age and service requirements to retire at the time you terminate employment, but delay your retirement, your life insurance remains in effect at no cost. The annual 25 percent reduction in the amount of your coverage begins January 1 of the first full year following the date you are separated from service and each year thereafter until it reaches 25 percent of its original value.

Beneficiaries

Keeping your beneficiary information up to date will ensure that benefits are paid promptly and according to your wishes. Any time you have a change of family status such as a birth or death, a change in marital status or other event, complete a new designation. You may change your beneficiary at any time by requesting a **Beneficiary Designation Form (VRS -2)** from your employer or from Securian's Richmond Branch Office.

Be sure that your beneficiary understands the benefits under the group life insurance plan.

Life insurance coverage available with no health questions

There are certain times in which you can enroll for coverage without answering health questions. Below is a summary of those options.

A full list of your life insurance coverage options is outlined on the next page. To apply for coverage other than what's outlined here, you'll answer three questions about your health history – along with height and weight. Applicants who want to enroll or increase coverage after transferring from one state agency to another state agency also will be required to answer the health questions.

Within 31 days from the start date of your employment

- Employee optional life: Choose any option up to \$400,000
- Spouse term life: If you enroll in option 1, your spouse will be eligible to receive up to one-half your salary, not to exceed \$200,000 (all other options will require health questions)
- Child term life: Enrolling for child coverage never requires health questions

Frequently asked questions

Q. What is term life and AD&D insurance?

A. Group term life insurance provides a cost-effective way to prepare for the unexpected by adding an extra level of protection during your working years. Your loved ones may benefit from life insurance to cover medical bills, funeral costs and estate management expenses. It can also be a critical resource in helping with your family's ongoing expenses.

Accidental death and dismemberment (AD&D) insurance provides additional financial protection in the event that a covered accident results in an insured person's loss of life, hearing, sight, paralysis and more.

Q. Do I have to answer health questions?

A. Enrolling for coverage other than what is outlined on page one will require that you answer three questions about your health history, along with height and weight. Based on your answers, it will be determined whether anything further is needed to make a decision to approve or decline the application. If by any chance your application is not approved, you will still get any coverage that didn't require the health questions and it will not affect any coverage you already have.

Q. Can I take my coverage with me if I leave VRS?

A. You can continue to be insured with Securian beyond active employment without answering health questions. Premiums are generally higher than those paid by active employees.

AUTHORIZATION

I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy, medical facility, pharmacy benefit manager, data aggregator, or other health care provider that has provided payment, treatment or services to me or on my behalf to disclose my entire medical record and any other protected health information concerning me to Minnesota Life Insurance Company, (the Company), and its employees, reinsurers and representatives. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs and tobacco.

I also authorize any medical practitioner, insurance company, Department of Motor Vehicles, or other government agency, Lexis Nexis or other consumer reporting agency, employer or Medical Information Bureau (MIB), Inc., to give all medical or nonmedical information about me including alcohol or drug abuse, driving violations, association with criminal activity, possible over insurance, foreign residency or travel, aviation activity, hazardous occupational or sports activity, to the Company and its reinsurers. I authorize all said sources, except MIB, Inc., to give such information to any agency employed by the Company to collect and transmit such information. I authorize the Company, or its reinsurers, to make a brief report of my personal health information to MIB, Inc.

This information is to be disclosed under this Authorization so the Company may: 1) underwrite my application for coverage, make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with the Company.

I understand in determining eligibility for insurance or benefits, this information may be made available to underwriting claims, medical and support staff of the Company. If I do not revoke this authorization, to determine my insurability it will be valid for 24 months from the date I sign it. For claims purposes, this authorization is valid for the duration of a claim. A copy of this Authorization is as valid as the original. I understand my authorized representative or I am entitled to receive a copy of this Authorization. I understand the information may be used for the purpose of performing actuarial or internal business studies, research, analytics and other analysis. I understand that I have the right to revoke this Authorization in writing, at any time, by sending a written request for revocation to the Company. I understand that a revocation does not apply to any action that was taken in reliance on this Authorization or to the Company's legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that there is a possibility of re-disclosure of any information disclosed pursuant to this authorization and that information, once disclosed, may no longer be protected by federal rules governing privacy and confidentiality. I understand that if I refuse to sign this Authorization to release my complete medical record, the Company may not be able to process my application, or if coverage has been issued may not be able to make any benefit payments.

I have read this Authorization and Consumer Privacy Notice and I understand my authorized representative or I can have copies. The answers provided on this application are representations of the person signing below. The answers given are complete and true to the best of his/her knowledge. It is understood that Minnesota Life Insurance Company shall incur no liability because of this application unless and until it is approved by the Company and the first premium is paid while my health and other conditions affecting my insurability are as described in this application. I authorize my employer to withdraw premiums from my salary to pay for this coverage. I understand that false or incorrect answers to the above questions may lead to rescission of coverage, subject to the Incontestability provision found in the policy or the certificate.

Any person who, with the intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement may have violated the state law.

Retirement

State employees are required to participate in a core retirement plan. The default core retirement plan is the [Virginia Retirement System \(VRS\)](#). You may elect to participate in the [Optional Retirement Plan \(ORP\)](#) instead of VRS, but this election must be made within the first 60 days of state faculty employment with the Commonwealth of Virginia, and is irrevocable for the duration of ORP-eligible state employment even when transferring between Commonwealth of Virginia public colleges and universities. The ORP is a defined contribution retirement plan, and VCU ORP participants select either TIAA or Fidelity Investments as the account provider.

- If you have no prior state service with the Commonwealth of Virginia, your default core retirement plan is the [Virginia Retirement System Hybrid Retirement Plan](#).
- If you have an existing VRS membership or Virginia ORP balance from previous covered employment prior to 2014, your default core retirement plan is VRS Plan 1 or VRS Plan 2 depending upon the dates of the previous covered employment. See your [MyVRS account](#) to determine whether you are a member of VRS Plan 1 or VRS Plan 2.
- If you are transferring to VCU from an ORP-eligible job at another Commonwealth of Virginia public college or university without a bona fide break in state service, your previous faculty retirement plan election (VRS or ORP) continues at VCU and cannot be changed. If you participated in ORP at your previous college or university, you must enroll in and participate in the VCU ORP.

This is a tool to help you in completing the appropriate actions to select your retirement plan and associated sickness and disability leave plan. As a new employee, you have a choice of two employer-sponsored retirement plans. Under Virginia law, participation in one of these plans is mandatory. If you choose VRS, you must contribute 5% of your own base salary to your VRS plan. If you choose the ORP, you must contribute 5% of your own base salary to your ORP unless you have a previously existing VRS or ORP membership with retirement plan benefits accrued prior to July 1, 2010. If you are transferring to VCU without a bona fide break in state service from another public institution of higher education in Virginia, you must continue the same election (VRS or ORP) that you made at that previous institution. Your choice of retirement plan is irrevocable and affects your leave plan. Make your election immediately upon starting work with VCU so that we can begin funding your retirement plan right away.

 - I have been rehired in a full- or part-time covered ORP-eligible position after a bona fide break in service.
- I have fully read the current "Choosing Your Retirement Plan" ORP for Higher Education comparison guide on the VRS website (www.orphe.varetire.org) and have compared the provisions of the plans available to me.
- I understand and agree to the conditions of this election as summarized in the "Understanding the Plan Provisions" section in the instructions of this form.
- I understand I cannot change my election in the future.

Retirement Plan Election: I elect to participate as indicated here: (Choose one)

- I elect to participate in the ORP and select my initial provider to be: _____
I understand I must complete the enrollment materials required by this provider before contributions will be credited to my account.
- I will not participate in the ORP; rather, I elect to participate in the VRS Hybrid Retirement Plan or the corresponding Plan 1 or Plan 2 VRS defined benefit plan if, at the time of my eligibility to elect the ORP, I am a Plan 1 or Plan 2 member of the VRS, SPORS, VaLORS, or JRS defined benefit plan.

COMPLETING THE RETIREMENT PLAN ELECTION FOR ORP FOR HIGHER EDUCATION

Understanding the Plan Provisions (Please read carefully)

Because the plans available to you are structured differently, you must read the "Choosing Your Retirement Plan" comparison guide before making your election to participate in the ORP for Higher Education. (The guide is located on the VRS website at www.orphe.varetire.org.) Additional, VCU-specific information is online at <https://hr.vcu.edu/current-employees/benefits/a-z-list-of-benefits/retirement/>. By submitting this form you agree to the following conditions:

- a. If you elect the ORP, you have the right to transfer any member contributions and accrued interest in your VRS-administered defined benefit plan or the defined benefit component of the Hybrid Retirement Plan to the ORP. Should you elect such a transfer, you will waive any rights or entitlements which have accrued under the VRS-administered defined benefit plan or defined contribution component of the hybrid plan. **Note:** If you return to work in a VRS-covered position, you would not be eligible to purchase the service period associated with any funds transferred to the ORP.
- b. If you elect the ORP and you elect *not* to transfer the contributions and interest in your VRS-administered defined benefit plan or the defined benefit component of the Hybrid Retirement Plan, you will retain *any* rights and entitlements which may have accrued under the plan. You must have at least *five (5) years* of creditable service in the VRS-administered defined benefit plan or the defined benefit component of the hybrid plan in order to be eligible for a monthly benefit.
- c. By electing the ORP, you will waive any rights or entitlements which might have accrued had you elected the Hybrid Retirement Plan or applicable VRS Plan 1 or Plan 2 defined benefit plan.
- d. Election of the ORP does not alter your required participation in the State Group Life Insurance Plan as a condition of employment provided you are eligible for such plan, unless you are employed by the University of Virginia which administers its own life insurance plan.
- e. Your election, once executed, is irrevocable unless you have a future change in employment status that affords you different coverage options.
- f. You may not receive a retirement benefit based on service in a VRS-administered defined benefit plan, a VRS-administered ORP, or an ORP authorized by VRS and simultaneously participate in the ORP other than to receive ORP annuity payments.
- g. If you elect the ORP and do not elect a provider and/or do not give direction concerning how your plan contributions will be invested, your contributions will be directed by the default procedure established by the Plan.
- h. Neither VRS, the Defined Contributions Plans Advisory Committee nor the institution have any fiduciary responsibility for your actual selection of investments from among the available options.

Completing the Form:

Boxes 1-4: Enter your personal information.

Box 5: List any previous VRS service or service in a Virginia ORP for which you continue to have a balance resulting from that period of employment. An eligible ORP account balance must be from prior employment with a Virginia institution of higher education, a state agency or authority that qualified you to participate in the ORP for Political Appointees, a school division with which you participated in the Optional Retirement Plan for School Superintendents, or from an optional retirement plan offered by the University of Virginia, Virginia Tech, George Mason University, Virginia Commonwealth University, or the College of William and Mary.

Note: The University of Virginia Medical Center offers a separate ORP that is not authorized or administered by VRS, as outlined in the *Code of Virginia*. Previous service in the University of Virginia Medical Center ORP will not count towards your plan designation (Plan 1 or Plan 2) when moving to a VRS-administered plan, including the Hybrid Retirement Plan and ORP.

If you list any covered service, you must provide one of the following:

- a. If you were a member of a VRS-administered defined benefit plan or the Hybrid Retirement Plan, submit a copy of your current Account Summary page from myVRS.
- b. If you were an ORP participant, submit a copy of the most recent quarter's statement or a current online statement showing the balance in your account. Depending on your ORP participation, this statement may be from one of several different plan providers. For your convenience, the plan providers and plan numbers are shown below:

Note: If you previously participated in the University of Virginia Medical Center ORP, this service will not count towards your plan designation upon employment in an ORP-eligible position with an institution that offers a VRS-administered or VRS-authorized ORP.

The statement must substantiate that the existing balance was from a period of previous covered employment. If you can provide this documentation, you may be covered under the plan provisions in force at that time which may be different than current plan provisions.

Box 6: Enter your first date of employment in your current position.

Box 7: Complete the necessary selections and make your election to participate in either the ORP for Higher Education or the VRS Hybrid Retirement Plan (or the corresponding Plan 1 or Plan 2 VRS defined benefit plan at the time of your eligibility to elect the ORP).

You are eligible to elect the ORP for Higher Education if your employer certifies you are employed in an eligible position and 1) you have not previously been employed in an eligible position or 2) if you were previously employed in an eligible position, you have had a break in service. A break in service is defined as a period of at least one full calendar month during which you received no VRS defined benefit plan service credit, no ORP contributions and no active member benefits. Summer breaks, educational leave and leave without pay do not constitute a break in service.

If you were previously in a position eligible under the ORP for Higher Education and moved to another eligible position with a different employer without a break in service, you stay in the retirement plan you originally chose.

Hybrid Retirement Plan

PLAN FEATURES & HIGHLIGHTS

The Hybrid Retirement Plan combines the features of a defined contribution plan, which provides a retirement benefit based on contributions to the plan and the investment performance of those contributions, and a defined benefit plan, which pays a monthly retirement benefit based on age, total service credit and average final compensation.

Virginia
Retirement
System

Saving for your retirement is simpler than you might think.

We'll show you how in just three easy steps you could be on your way to a more secure future with your VRS Hybrid Retirement Plan, which contains both a defined benefit and defined contribution component.

step 1 **Learn More**
Gather information and identify the steps that will get you to your goals.

step 2 **Make a Plan**
Determine what you want and need, and set your goals.

step 3 **Start Saving!**
Take the actions needed to reach your goals.

STEP 1: LEARN MORE

Who participates in the Hybrid Retirement Plan?

New members with no previous VRS service credit and a membership date on or after January 1, 2014.

Eligible Members

- State employees
- School division employees
- Political subdivision employees
- Judges appointed or elected to an original term on or after January 1, 2014
- New members who are eligible for an optional retirement plan (ORP) must elect an ORP or the Hybrid Retirement Plan

Who is not eligible for the hybrid plan?

- State Police Officers' Retirement System (SPORS) members
- Virginia Law Officers' Retirement System (VaLORS) members
- Political subdivision members who are covered by enhanced benefits for hazardous duty employees

It's important to understand both components of your hybrid plan. The plan combines the features of a defined benefit program and a defined contribution plan.

Defined Benefit	Defined Contribution
<ul style="list-style-type: none"> ■ Provides the foundation of your future retirement benefit when you qualify ■ Pays a monthly retirement benefit based on age, total service credit and average final compensation ■ VRS manages the investments and related risk for this component ■ For information about the defined benefit component, visit www.varetire.org/hybrid 	<ul style="list-style-type: none"> ■ Provides a tax-deferred savings plan to build on your benefit from the defined benefit component ■ Pays a retirement benefit based on contributions by you and your employer to the plan and the investment performance of those contributions ■ You manage the investments and related risk for this component ■ View your investment options and find additional information at www.varetire.org/hybrid

Hybrid members make two types of contributions to the defined contribution component: **mandatory contributions**, which all members are required to make; and additional **voluntary contributions**, which the employer matches.

The Defined Contribution Component Offers Two Plans: Hybrid 401(a) Cash Match and Hybrid 457 Deferred Compensation.†

Hybrid 401(a) Cash Match Plan

- You contribute a mandatory 1% of your creditable compensation each month to your 401(a) account. Your employer contributes a mandatory 1%.
- Your employer must match the first 1% of your voluntary contribution with a corresponding contribution of 1% of your creditable compensation. Each of your additional 0.5% increases will be matched by your employer with a 0.25% contribution.
- Employer 401(a) Cash Match contributions vest as follows:

1 year – 0%	3 years – 75%
2 years – 50%	4 years – 100%

Hybrid 457 Deferred Compensation Plan†

- Allows you to accumulate additional voluntary contributions on a tax-deferred basis until you leave employment or withdraw the money from your plan.

Your mandatory and voluntary contributions are always 100% vested.

† Some provisions related to voluntary contributions and the associated employer match may differ for school division employees who have elected to use an employer-sponsored hybrid 403(b). For additional information, contact your human resources office.

Benefits of making voluntary contributions to your hybrid account:

- Your employer will match a portion of your contributions (see Contribution Table).
- You may select from a variety of available investment options.
- Your investments could generate compounded earnings, and further generate compounded earnings on those compounded earnings.

Why Make Voluntary Contributions?

Meet Will: This chart demonstrates how much more he could save by making voluntary contributions to the Hybrid Retirement Plan.

Will could save \$102,448 more by making a 2% before-tax voluntary contribution to the Hybrid Retirement Plan.

For illustrative purposes only and based on a monthly income of \$3,000; assumes semimonthly employee contribution made on 15th and 30th of each month and a 6% average annual return after 30 years. The final account balance does not account for plan fees or expenses, which would reflect lower net returns. Investment return and principal value will fluctuate, so when shares are redeemed they may be worth more or less than the original cost.

The Value of Contributing More Money Over Time

Members may voluntarily contribute up to an additional 4% to the Hybrid 457 Deferred Compensation Plan[†] each month and receive an employer match.

This chart demonstrates the added value of contributing more money over time.

For illustrative purposes only and based on a monthly income of \$3,000; assumes semimonthly employee contribution made on 15th and 30th of each month and a 6% average annual return after 30 years. The final account balance does not account for plan fees or expenses, which would reflect lower net returns. Investment return and principal value will fluctuate, so when shares are redeemed they may be worth more or less than the original cost.

Plan Features Help You Save More

SmartStep and auto-escalation are hybrid plan features that work together to help you save more for retirement. The more you save in voluntary contributions, the more you receive in matching employer contributions.

SmartStep

Increase your voluntary contribution gradually, with less impact to your paycheck. You must opt in to SmartStep. Once you log in and choose the amount and month of your annual increase,

SmartStep will continue to increase your voluntary contribution each year until you reach the maximum 4%.

Auto-escalation

No action is required for auto-escalation. Every three years your voluntary contribution automatically increases by 0.5% until you reach the maximum 4%.

Together these features help you reach the 4% maximum voluntary contribution even sooner, and could result in more money saved for your future. To opt-in to SmartStep, log in to Account Access at www.varetire.org/hybrid, select your Hybrid 457 Plan account, then click on Contributions to enter an amount.

STEP 2:

MAKE A PLAN

Now that you've done your research, it's time to plan. What's best for you depends on a variety of factors, such as whether you're just starting out in your career or are closer to retirement. In addition to your mandatory contributions into the Hybrid 401(a) Cash Match Plan, you can choose how much from each paycheck to set aside for voluntary contributions into the Hybrid 457 Deferred Compensation Plan[†], which funds to invest in and whether to take advantage of a tax credit that might apply to you.

STEP 3:

START SAVING!

Now you're ready to begin building your retirement security! Here are answers to some commonly asked questions about participating in the plan and managing your retirement account.

Who contributes to the Hybrid Retirement Plan?

DEFINED BENEFIT PLAN

You and your employer.

HYBRID 401(a) CASH MATCH PLAN

You and your employer.

HYBRID 457 DEFERRED COMPENSATION PLAN[†]

You.

What is the contribution amount?

Hybrid plan members contribute 4% of creditable compensation to the defined benefit plan and 1% to the Hybrid 401(a) Cash Match Plan each month. Members can elect a voluntary contribution between 0.5% and 4% in increments of 0.5% to the Hybrid 457 Deferred Compensation Plan. Members can increase or decrease their voluntary contributions on a quarterly basis.

Through mandatory and voluntary contributions to the defined contribution component of the plan, members can contribute a maximum of 5% with a 3.5% match from the employer. Members invest in various investment options that best fit their needs.

How do I elect to make voluntary contributions?

You can elect to make voluntary contributions by accessing your account online by visiting www.varetire.org/hybrid and selecting Account Access, or by calling Participant Services at 877-327-5261 and selecting option 1. The deadline for the change is 4 p.m. on the 15th of the month prior to the next quarter. If the 15th is not a business day, the deadline will be the next business day after the 15th. For information on how to elect automatic annual increases to your voluntary contributions, see the *Plan Features Help You Save More* insert on page 4.

Learn more, register and manage your account:

Online — Go to www.varetire.org/hybrid

Phone — For questions about the defined benefit plan component, call 855-291-2285.
For questions about the defined contribution plan component, call **VRS-DC-PLAN1** (877-327-5261).

Can I make contributions to a supplemental retirement plan?

Yes. You are eligible to contribute to a supplemental plan that your employer might offer, such as a 457 or 403(b) plan. Employees of state agencies and any political subdivision or school division that participates in the Virginia Cash Match Plan must make the maximum 4% voluntary contribution to the Hybrid 457 Deferred Compensation Plan to receive a match on contributions to a supplemental plan.

Also, the IRS imposes annual limits on contributions to 457 plans. So the total of any voluntary contributions to the Hybrid 457 and combined with contributions to any other 457 plan offered by your employer cannot exceed these annual limits.

What are my investment options?

Your investment options are organized into three pathways. The path approach is designed to make it easier for you to implement your investment decisions. It's also flexible — you don't need to choose just one path or investment option. You can mix and match options among paths to suit your objectives, risk tolerance and overall investing style.

The plan offers a variety of investment options — from premixed target date portfolios to a menu of options across asset classes — to construct your investment portfolio. Additionally, the plan offers a Self-Directed Brokerage Account (SDBA) for an additional fee. Publicly traded mutual funds, exchange-traded funds (ETFs) and individual securities are offered through the SDBA. As of 6/3/2019, MissionSquare does not charge a fee to establish a SDBA for participants in any of the Commonwealth of Virginia plans. You must maintain a balance of \$2,500 in the core investments before investing in the SDBA.

For more information about the plan's investment options, go to www.varetire.org/hybrid, refer to the [Investment Guide](#), or call the Plan Information Line toll-free at **VRS-DC-PLAN1** (877-327-5261). For information about the SDBA, contact TD Ameritrade¹ at 866-766-4015. Please consider the investment objectives, risks, fees and expenses carefully before investing.

¹ MissionSquare Retirement and TD Ameritrade are separate, unaffiliated companies and not responsible for each other's services or policies. Brokerage services are provided by TD Ameritrade, Inc., a registered broker-dealer and member of FINRA/SIPC. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and the Toronto-Dominion Bank. Used with permission.

How do I make investment option changes?

You can make changes to your account online or by phone (see page 5 for hybrid plan resources):

- Move all or a portion of your existing balances among investment options (subject to plan rules)
- Change how your future contributions are invested

How do I keep track of my account?

DEFINED CONTRIBUTION COMPONENT

You'll receive a quarterly account statement showing your account balance and activity for the defined contribution component of your account. You can check your account balance online by visiting www.varetire.org/hybrid and logging into the secure **Account Access** site.

You also may elect to receive your statement electronically via e-Delivery:

1. Log into your account and click **My Profile**.
2. Go to **Email Address**, select **Edit** and add your email address.
3. Under **My Profile**, select **Services** then **e-Delivery Options**. Click **Sign Up**.

DEFINED BENEFIT COMPONENT

As a member of VRS, you have access to **myVRS**, a secure, online system that allows you to view your account balance and total creditable service and other account information.

Log into myVRS at myVRS.varetire.org and follow the simple step-by-step registration instructions.

Are there fees to participate in the plan?

DEFINED CONTRIBUTION COMPONENT

Yes. A monthly record-keeping fee of \$2.54 will be deducted from your account (\$30.50 per year). If you participate in more than one Commonwealth of Virginia Defined Contribution Plan, only one annual fee of \$30.50 will be deducted from your account. In addition, each investment option has investment management and other fund costs that vary. Investment option fees and performance are available on the plan website, by calling the Plan Information Line or within the Investment Option Performance report included with your quarterly statement. For more information about fees associated with the Self-Directed Brokerage Account, refer to the fund profile online or call the Plan Information Line. The Annual Fee Disclosure notice, which explains plan fees and the potential impact on your account balance, can be found at www.varetire.org/hybrid under Publications.

DEFINED BENEFIT COMPONENT

No.

When can I withdraw from my account?

You may withdraw when you terminate employment from the employer that offers the plan. Also, in-service withdrawals are available from rollover funds within the Hybrid 457 Plan.†

For more information about withdrawals, please refer to the [Hybrid Retirement Plan Handbook](#), which can be found at: www.varetire.org/hybrid under Publications.

May I purchase prior service?

If you have eligible service from previous public employment, active duty military service, certain types of authorized leave or VRS refunded service, you may be able to purchase a portion of this service as creditable service in your plan. Under the defined benefit component, purchase of prior service may increase your future retirement benefit or allow you to qualify for retirement at an earlier date. Read more in the [Hybrid Retirement Plan Handbook](#): www.varetire.org/hybrid, under Publications.

Where can I find information about the distribution process and my options associated with it?

This document focuses on members who are actively employed with employers that offer the hybrid plan. For more detailed information about taking distributions, payments and related questions, please refer to the [Hybrid Retirement Plan Handbook](#), which can be found at: www.varetire.org/hybrid, under Publications.

Please note that there are no distribution options for the defined benefit component of the hybrid plan while you're still actively employed with an employer that provides the hybrid plan. In-service withdrawals are available from rollover funds within the Hybrid 457 Deferred Compensation Plan.

May I transfer or roll over my account from another plan into this plan?

HYBRID 457 DEFERRED COMPENSATION PLAN†

Yes. Approved balances from other governmental 457(b) plans may be transferred into the Hybrid 457 Deferred Compensation Plan.† In addition, balances from an eligible retirement plan such as a 401(a), 401(k), 403(b), traditional IRA or Federal Employees Thrift Savings Plan may be transferred into the Hybrid 457 Deferred Compensation Plan. Note that rollovers from these plan types will be separately accounted for to ensure that the distribution from these plan types will still be subject to the 10% additional tax under IRS Section 72(t).

HYBRID 401(A) CASH MATCH PLAN

No. You can only rollover money into the Hybrid 457 Deferred Compensation Plan† and not into the Hybrid 401(a) Cash Match Plan.

What do I do if I change employers covered under the same plan?

If you leave your job and return to work, with or without a break in service, with another employer that participates in the Hybrid Retirement Plan, your employee voluntary contributions will stop with your old employer and you will need to restart them under your new employer. Upon receipt of a termination date from your old employer, you will receive a letter from MissionSquare, the VRS third-party record keeper, stating that your employee voluntary contributions have been set to zero. Your new employer will have to enroll you at VRS under their employer code before you can restart your employee voluntary contributions. To reset your deferral amount, please go to Account Access at www.varetire.org/hybrid or call **VRS-DC-PLAN1** (877-327-5261).

May I continue making contributions to the plan once I terminate employment with an employer that offers the plan?

No. Contributions can only be made while you are covered under the Hybrid Retirement Plan. However, once you leave employment, you may roll in money from other plans into the Hybrid 457 Deferred Compensation Plan†, as long as you keep a balance in your Hybrid 457 Deferred Compensation Plan.

Virginia Commonwealth University Retirement Plan Comparison Guide

for Faculty, Postdoctoral Scholar-Fellows, and Eligible University and Academic Professionals

This publication is for employees of Virginia Commonwealth University (VCU) who are:

- hired or rehired **January 1, 2014 or later**; and are
- eligible to choose between the VCU Optional Retirement Plan (ORP), a **defined contribution** retirement plan; and the Virginia Retirement System (VRS), a **hybrid** retirement plan.

December 2022

Introduction

As a new faculty member or postdoctoral scholar-fellow, or as a new University and Academic Professional meeting the definition of “Non-Faculty Professional or Administrator” set forth in the Optional Retirement Plan document, you are eligible to choose between the Virginia Commonwealth University Optional Retirement Plan 2 (VCU ORP), a defined contribution plan, and the Virginia Retirement System (VRS) Hybrid Retirement Plan. If you do not elect the VCU ORP within 60 days of your hire date in your first ORP-eligible position, you will be covered by the VRS Hybrid Retirement Plan.

If your hire date in your first ORP-eligible position is on or after January 1, 2014, you must elect the VCU ORP or the VRS Hybrid Retirement Plan unless you have prior service credit under VRS Plan 1 or VRS Plan 2 from previous VRS-covered employment. If you have prior service credit under VRS Plan 1 or VRS Plan 2, you are not eligible to elect the VRS Hybrid Retirement Plan and will select between VRS Plan 1 or VRS Plan 2 (as applicable) or the VCU ORP.

To see an estimate of your VRS member benefits if you have prior service under VRS Plan 1 or VRS Plan 2, create a secure *myVRS* account at www.varetire.org. Your *myVRS* account shows your total service, funds in your member contribution account and a projected monthly retirement benefit based on your VRS service.

If you move from one ORP-eligible position to another without a bona fide break in service, you must continue in the plan you originally chose. If you have a bona fide break in service, you have to choose between the two retirement plans again. A bona fide break in service is a break of at least one full calendar month from the last date of employment during a period the employee normally would work. Periods of leave with or without pay do not count toward satisfying this break in service. For academic year employees, summer breaks, intersession periods, educational leave and sabbaticals also do not count toward satisfying this break.

If you move from a position where you were covered by VRS (VRS Hybrid, VRS Plan 1, or VRS Plan 2) and are choosing the VCU ORP, you may transfer the funds in your VRS defined benefit member contribution account to your VCU ORP account.

If you move from one VRS-participating employer to another and elect VRS as your retirement plan in both positions, your VRS creditable service continues.

If you move from a position where you elected the VCU ORP and become covered under the VRS Hybrid Retirement Plan, your VCU ORP account remains in place, and you may not take a direct distribution or rollover until you leave covered employment.

Choosing Your Retirement Plan

Preparing for retirement is about having enough income to live comfortably after you retire. Most financial planning experts recommend 80 percent of your current earnings as a retirement income target. As a new faculty member, postdoctoral scholar-fellow, or eligible University and Academic Professional, you have the option to choose between two retirement plans.

Defined Contribution Plan: VCU ORP

The VCU ORP is a defined contribution plan where vesting is immediate: the total balance in your account is available to you when you leave covered employment and are not re-employed by a VRS-participating employer offering retirement benefits under Title 51.1 of the *Code of Virginia*. For the VCU ORP Plan 2, your benefit is based on contributions from both you and your employer, adjusted for gains, losses and fees. You choose how the contributions will be invested from a range of options. You bear the investment risk, and the amount of your benefit depends on the net investment earnings.

If you have an existing balance in a Commonwealth of Virginia ORP (the VCU ORP or another Commonwealth of Virginia ORP) or a Virginia Retirement System defined benefit member account accrued prior to July 1, 2010, you may be eligible for the VCU ORP Plan 1. In the VCU ORP Plan 1, all contributions are made by the employer, however you still choose how the contributions will be invested and you still bear the investment risk. The amount of your benefit depends on the net investment earnings.

There are a number of factors to consider when selecting a plan:

- How long do you plan to work for a VRS-participating employer?
- Is portability important to you?
- What is your estimated defined benefit under the defined benefit component of the VRS Hybrid Retirement Plan?
- Are you comfortable with the idea of being responsible for investing?

VRS Hybrid Retirement Plan

The Hybrid Retirement Plan combines the features of a defined benefit plan and a defined contribution plan. The plan applies to most members hired on or after January 1, 2014. The defined benefit is based on your age, creditable service and average final compensation at retirement using a formula. The benefit from the defined contribution plan depends on the contributions made to the plan and the investment performance of those contributions. In addition to the monthly benefit payment payable from the defined benefit plan at retirement, you may start receiving distributions from the balance in your defined contribution account, reflecting the contributions, investment gains or losses and any required fees.

Your retirement benefit is funded through mandatory and voluntary contributions made by you and your employer to both the defined benefit and the defined contribution components of the plan. Mandatory contributions are based on a percentage of your creditable compensation and are required from both you and your employer. Additionally, you may choose to make voluntary contributions of more than the mandatory amount to the defined contribution component of the plan, and your employer is required to match those voluntary contributions according to specified percentages.

Under the defined benefit component, vesting is the minimum length of service needed to qualify for a retirement benefit. Once you are vested, you are eligible for a retirement benefit if you meet the age and service requirements for your plan. You become vested under the defined benefit component when you have at least five years (60 months) of service credit. For more details, please refer to the Vesting section in Comparing Plans.

Under the defined contribution component, vesting is the minimum length of service members need to be eligible to withdraw employer contributions from that component of the plan. You are always 100 percent vested in the contributions that you make. For more details, please refer to the Vesting section in Comparing Plans.

Normal retirement age under the VRS Hybrid Retirement Plan is your normal Social Security retirement age for the purpose of the defined benefit component. You become eligible for an unreduced retirement benefit at your normal Social Security retirement age with at least five years (60 months) of creditable service or when your age and service equal 90. You may retire with a reduced benefit as early as age 60 with at least five years (60 months) of creditable service. To determine your reduced benefit, VRS applies an early retirement reduction factor to the benefit you would receive if you retired with an unreduced benefit. For the defined contribution component, you are eligible to receive distributions upon leaving employment, subject to restrictions.

For more information, see the *Virginia Retirement System Hybrid Retirement Plan Handbook for Members* available at www.varetirement.org/hybrid.

If you are eligible for membership in VRS Plan 1 or VRS Plan 2 because you are an existing member of one of these plans (from previous VRS-covered employment) at the time of hire, please visit www.varetire.org for more information about your plan.

Comparing Plans

The description below provides a general overview and comparison of the two plans based on stated assumptions. Consult actual plan documents for all terms, conditions and limitations of coverage. In the event of a claim, the actual plan documents in force at the time will prevail.

Type of Plan	<p>The VCU ORP is a defined contribution plan. Your retirement benefit depends on the contributions provided to the plan and the investment performance of those contributions. At retirement, a participant may start receiving distributions from the balance in his or her account, reflecting the contributions, investment gains or losses, and any required fees.</p>	<p>The VRS Hybrid Retirement Plan combines the features of a defined benefit plan a defined contribution plan. 	VCU ORP	VRS Hybrid Plan
Contributions	<p>Your retirement benefit is based on employer and employee contributions and the investment gains and losses on those contributions. Each pay date, VCU contributes to your account an amount equal to 8.5% of your compensation. You contribute an additional 5% of your compensation to your account, for a total contribution in the amount of 13.5% of your compensation each pay date going into your plan. The rate is reviewed every six years to keep Virginia institutions competitive with others in the region.</p> <p>The contribution rate is set by statute. Available investments are chosen by the VCU Investment Policy Advisory Committee with oversight from the Board of Visitors. You are responsible for selecting the investments from those available and you bear the investment risk.</p>	<p>Your retirement benefit is funded through mandatory and voluntary contributions made by you and by VCU to both the defined benefit and the defined contribution components of the plan. Mandatory contributions are based on a percentage of your monthly creditable compensation and required from both you and VCU.</p> <p>Additionally, you may choose to make voluntary contributions of more than the mandatory amount to the defined contribution component of the plan, and VCU is required to match those voluntary contributions according to specified percentages.</p>
Contribution Limits	<p>Internal Revenue Code Section 401(a)(17) specifies that the compensation on which you and VCU may make contributions may not exceed the compensation limit for the plan year in which the compensation is paid. The ORP plan year runs from January 1 to December 31. Contact the VCU Benefits office for information on the current year's limit.</p>	<p>The Internal Revenue Code Section 401(a)(17) states that compensation used to calculate your benefit may not exceed the compensation limit for the plan year in which the compensation was earned. This is an annual limit, which may be adjusted each year, depending on the amount of increase in the Consumer Price Index. Contact the VCU Benefits office for information on the current year's limit.</p> <p>Additionally, voluntary contributions go into the Hybrid 457 Deferred Compensation Plan. The IRS imposes an annual contribution limit on 457 plans, which includes the Hybrid 457 Deferred Compensation Plan and the Commonwealth of Virginia 457 Deferred Compensation Plan.</p>

	VCU ORP	VRS Hybrid Plan
<p>Vesting</p>	<p>Immediate for account balance, including both employer and employee contributions. You may take all or a portion of your account balance when you leave employment and qualify for a distribution.</p>	<p>Defined Benefit: Vesting is the minimum length of service you need to qualify for a future retirement benefit. You are vested under the defined benefit component of the Hybrid Retirement Plan when you reach five years (60 months) of creditable service. VRS Plan 1 or VRS Plan 2 members with at least five years (60 months) of creditable service who opted into the Hybrid Retirement Plan will stay vested in the defined benefit component.</p> <p>Defined Contribution: Vesting is the minimum length of service members need to be eligible to withdraw employer contributions from the defined contribution component of the plan. You are always 100% vested in the contributions that you make.</p> <p>Upon retirement or leaving covered employment, you are eligible to withdraw a percentage of VCU's contributions. Distribution is not required by law until age 72.</p> <ul style="list-style-type: none"> • After two years, you are 50% vested and may withdraw 50% of employer contributions. • After three years, you are 75% vested and may withdraw 75% of employer contributions. • After four or more years, you are 100% vested and may withdraw 100% of employer contributions.

	VCU ORP	VRS Hybrid Plan
Leaving Employment	<p>You may take a distribution from your ORP account when you are no longer employed by an employer that provides you a retirement benefit through a plan administered or authorized by VRS. Your account balance may be left in the plan, rolled over or taken as a distribution.</p> <p>See “Taxation of Retirement Benefit” for more information on this topic.</p>	<p>Defined Benefit: If you leave covered employment and do not retire, you can take a refund of your member contributions and interest, or leave your member contribution account balance with VRS and become a deferred member. If you are vested before becoming a deferred member, you may be eligible for a future retirement benefit if you meet the age and service requirements. If you are vested before taking a refund, you will receive a full refund of your member account balance. If you are not vested, you will receive a refund of the member account balance excluding any member contributions made by VCU and the interest on those contributions. Taking a refund cancels your membership and eligibility for any future VRS benefits.</p> <p>Defined Contribution: There are a variety of distribution options available to you upon termination of employment, including partial or lump-sum payments, periodic payments, or a combination of both. You may also choose to roll your money to another employer’s plan or to an IRA.</p> <p>See “Taxation of Retirement Benefit” for more information on this topic.</p>
Portability	<p>If you leave public employment in Virginia, your account balance may be rolled over to a subsequent employer’s qualified plan or an IRA.</p>	<p>Participation continues if you are employed by one of approximately 800 employers that provide retirement benefits through VRS, including all Virginia state government agencies, all Virginia public colleges and universities, all Virginia public schools and most Virginia local governments.</p> <p>Creditable service representing many types of public service and leaves of absence may be purchased to enhance the benefit.</p> <p>If you leave public employment in Virginia, your defined benefit member account and/or your vested defined contribution account balance(s) may be rolled over to a subsequent employer’s qualified plan or an IRA.</p>

<p>Investment Risks</p>	<p>You choose how the contributions will be invested from a range of options. You bear the investment risk, and the amount of your benefit depends upon the amount you contribute and net investment earnings.</p>	<p>Defined Benefit: Your contributions are invested by the Virginia Retirement System and your benefit is calculated using a formula.</p> <p>Defined Contribution: You choose how the contributions will be invested from a range of options. <p>Consolidating Retirement Savings Plans</p>	<p>Distributions from retirement plans other than VRS cannot be rolled into the VCU ORP. If you are an existing member of VRS Plan 1, VRS Plan 2 or the VRS Hybrid Plan at the time you join the VCU ORP, you may transfer your VRS defined benefit member account balance to the VCU ORP. Doing so cancels your VRS membership and eligibility for a future VRS defined benefit.</p> <p>Payouts from other retirement plans can be rolled into the VCU 403(b) Tax Deferred Savings Plan (“TDA”), the Commonwealth of Virginia 457 Deferred Compensation Plan (“457”), or the 401(a) Virginia Cash Match Plan (Virginia Cash Match). If you rolled funds from another retirement plan into the 457 plan or the Virginia Cash Match, you may withdraw those funds while you are still employed. Withdrawals made prior to age 59½ may be subject to a 10% penalty, plus state and federal income tax withholding.</p>	<p>You may be eligible to purchase service credit for other periods of public or military service, including time covered by VRS and refunded service. You may not roll money from other plans into VRS except to purchase approved creditable service.</p> <p>You may roll payouts from other retirement savings plans into the VCU 403(b) Tax Deferred Savings Plan (“TDA”), the Hybrid 457 Deferred Compensation Plan, the Commonwealth of Virginia 457 Deferred Compensation Plan (“457”) or the 401(a) Virginia Cash Match Plan (“Virginia Cash Match”).</p> <p>If you rolled funds from another retirement plan into the 457 or the Virginia Cash Match, you may withdraw those funds while you are still employed. Withdrawals made prior to age 59½ may be subject to a 10% penalty, plus state and federal income tax withholding.</p>

<p>Cost-of-Living Adjustment (COLA)</p>	<p>Cost-of-living adjustments are not available in this plan unless you purchase an annuity.</p>	<p>Defined Benefit: The cost-of-living adjustment matches the first 2% increase in the CPI-U and half of any additional increase (up to 2%) for a maximum COLA of 3% for the defined benefit component.</p> <p>Defined Contribution: The COLA is not applicable to the defined contribution component.</p>
<p>Supplemental Retirement Savings Plans</p>	<p>You may enroll in the VCU 403(b) Tax Deferred Savings Plan (“TDA”) and/or the Commonwealth of Virginia 457 Deferred Compensation Plan (“457”). New faculty, postdoctoral employees, and University and Academic Professionals are automatically enrolled in the TDA after 60 days of employment if they have not already actively enrolled in the TDA or the 457.</p>	<p>You may enroll in the VCU 403(b) Tax Deferred Savings Plan (“TDA”) and/or the Commonwealth of Virginia 457 Deferred Compensation Plan (“457”). <p>Taxation of Retirement Benefit</p>	<p>No tax is due until you take a distribution from the plan. The amount distributed directly to you is subject to federal income taxes as well as state income taxes if you live in a state that taxes income. Distributions may also incur an early distribution excise if taken prior to age 59½. An exception applies if you separate from service after age 55, receive an annuity or take essentially equal payments during your lifetime. <p>Educational Leave of Absence With Half Pay or More</p>	<p>Employee and employer contributions will continue to be paid on the salary earned while on educational leave.</p>	<p>You will be reported to VRS at the applicable rate of pay.</p>

<p>Educational Leave of Absence With Less Than Half Pay</p>	<p>No contributions are made to the ORP. No make-up contributions are made when you return to employment.</p>	<p>No employee or employer contributions are paid. You may purchase up to four years of service credit for any approved official educational leave of absence from a VRS-covered position when you return to employment.</p>
<p>Disability</p>	<p>VCU provides long-term disability insurance to faculty members, postdoctoral employees, and University and Academic Professionals that replaces 60 percent of salary (up to \$20,000/month) during long-term disability after a 180-day waiting period. This insurance also continues contributions to the ORP during an approved disability claim. When employment ends as a result of a disability, a distribution from the ORP may begin.</p>	<p>You are covered by the Virginia Sickness & Disability Program (VSDP). Faculty members may opt out of the VSDP and instead select a traditional sick leave plan within 60 days of faculty hire date.</p> <p>For non-work related claims, VSDP provides replacement income in the event of short-term or long-term disability after the completion of one continuous year of covered employment. Work-related claims are covered by the VSDP as of hire date.</p> <p>Faculty members who opt out of the VSDP must purchase voluntary long-term disability insurance through VCU by payroll deduction or provide proof of other disability coverage.</p>

<p>Order of Precedence</p>	<p>You may choose the order established by law to provide payment of your benefits or you may designate specific beneficiaries to receive your benefits in the event of your death. Beneficiary designations are made by you directly with the investment company that administers your ORP account.</p>	<p>You may choose the order established by law to provide payment of your benefits or you may designate specific beneficiaries to receive your benefits in the event of your death. The order or precedence is as follows:</p> <ul style="list-style-type: none"> • First, to the member’s spouse; • If no spouse, to the member’s children and descendants of the member’s deceased children; • If none of the above, to the member’s parents equally or to the surviving parent; • If none of the above, to the duly appointed executor or administrator of the member’s estate; • If none of the above, to the next of kin under the laws of the state where the member resided at the time of death.
<p>Death-in-Service</p>	<p>The ORP account balance is payable to your named beneficiary. If you have not named a beneficiary, the balance is paid according to the order of precedence. The beneficiary may choose from a variety of payment methods.</p>	<p>Defined Benefit: A death-in-service benefit is a lump-sum payment of the balance in your member contribution account, if any, to your named beneficiary. If your named beneficiary is your spouse, your natural or legally adopted minor child or your parent, he or she may elect a lump-sum payment or a monthly benefit. The death-in-service benefit is in addition to any life insurance benefit you may have.</p> <p>Defined Contribution: The defined contribution account balance is paid to your named beneficiary. <p>Death-in-Service: Work-Related</p>	<p>The ORP account balance is payable to your named beneficiary. If you have not named a beneficiary, the balance is paid according to the order of precedence. The beneficiary may choose from a variety of payment methods.</p> <p>No work-related death-in-service benefit is available.</p>	<p>Defined Benefit: If you die while you are an active member from a work-related cause, you named beneficiary will be eligible for a lump-sum payment of any funds remaining in your member contribution account. In addition, your spouse, natural or legally adopted minor child or parent will be eligible for a monthly benefit. If this individual is also your named beneficiary, he or she will receive both benefits. If your beneficiary is eligible for Social Security survivor benefits, the VRS work-related benefit will be equal to 33⅓% of your average final compensation (AFC) at the time of your death. If he or she is not eligible, the VRS benefit will be equal to 50% of your AFC. If your beneficiary is eligible for a workers' compensation survivor benefit, the VRS work-related benefit is offset by the workers' compensation benefit.</p> <p>Defined Contribution: The account balance is payable to your named beneficiary. <p>Health Insurance Credit: Service Retirement</p>	<p>If you retire and you are age 60 with at least 15 years of VRS service credit and/or ORP participation, you are eligible for the health insurance credit. To qualify, you must incur a cost for your own health insurance. The monthly benefit is \$4 per year of service not to exceed the out-of-pocket cost for your individual premium. The credit ceases at your death. Note that the date you choose to begin your distribution from the ORP may affect your eligibility for the retiree health insurance credit. The health insurance credit benefit ends if you leave employment and take a full distribution from the ORP.</p>	<p>If you retire with at least 15 years of VRS service credit and/or ORP participation, you are eligible to apply for the health insurance credit. Generally, once purchased, the annuity option cannot be changed.</p>	<p>Defined Benefit: Selecting the Basic Benefit, PLOP or Advance Pension is irrevocable. For the Survivor Option, you may name a new survivor or revert to the Basic Benefit if your survivor dies; you divorce your survivor with fewer than 20 years of marriage; you divorce after 20 or more years of marriage and your spouse dies, remarries or consents in writing to a change in benefit; or you provide VRS a written consent from your survivor giving up claim to a benefit along with proof of your survivor’s good health.</p> <p>Defined Contribution: Distribution options may be changed for balances remaining in the plan. Generally, once purchased, the annuity option cannot be changed.</p>

<p>Creditable Service</p>	<p>Participation in the ORP does not count toward the calculation of a benefit under the VRS defined benefit plan; however, ORP participation as well as VRS defined benefit plan service count toward eligibility for group life insurance coverage and the health insurance credit in retirement.</p> <p>NOTE: Plan determination is based on creditable defined benefit service and years of participation in an eligible optional retirement plan (ORP).</p>	<p>Defined Benefit: Under the defined benefit component, creditable service includes active service, You earn creditable service for each month you are employed in a covered position and make your required member contribution. It may also include credit for prior service you may have purchased or additional creditable service that you were granted. Your total creditable service is one of the factors used to determine your eligibility for retirement and to calculate your retirement benefit. It also counts toward eligibility for the health insurance credit in retirement.</p> <p>Defined Contribution: Under the defined contribution component, creditable service is used to determine vesting for the employer contribution portion of the plan.</p>
<p>Basic Group Life Insurance</p> <p>IMPORTANT NOTE: Group life insurance benefits end if you leave employment and take a refund from the VRS hybrid defined benefit component.</p>	<p>Your group life insurance coverage is the same as the coverage provided under the VRS Hybrid Retirement Plan (see column at right). To qualify, you must meet the age and service requirements for retirement under the VRS plan that was available to you at the time you elected the ORP.</p>	<p>You are covered under the basic plan from the first day of faculty employment. VCU pays the premium. The natural death benefit is equal to your compensation rounded to the next highest thousand and then doubled. The accidental death benefit is double the natural death benefit. Some basic group life insurance benefits will continue into retirement. Your coverage will end if you have not met the age and service requirements for retirement or if you take a refund of your member contributions and interest. Group life insurance coverage will begin to reduce by 25% on January 1 following one calendar year of retirement, and will continue to reduce by 25% each January 1 until it reaches 25% of its original value. The provisions that allow for double the natural death benefit for accidental death end upon retirement. Additional optional life insurance is available to employees and their dependents.</p>

<p>Basic Group Life Insurance: Educational Leave</p>	<p>While on educational leave, you are reported for group life insurance at full salary, if you are receiving half pay or more. <p>Purchase of Prior Service</p>	<p>ORP participation is not available for purchase and cannot be used in the calculation of a VRS retirement benefit. Funds must remain in the ORP until the participant terminates employment covered by the ORP and/or VRS.</p>	<p>Purchase of prior service applies to the defined benefit component. You may be able to purchase service credit for previous public employment, active duty military service, an eligible period of leave or VRS-refunded service as creditable service in your plan. Prior creditable service counts toward vesting, eligibility for retirement, and the health insurance credit. Only active members are eligible to purchase prior service. You may also be eligible to purchase periods of leave without pay; contact VCU Human Resources for more information. You are not eligible to purchase prior service if you are employed in a non-covered position, are a deferred member or are a retiree. See “Purchase of Prior Service” at www.varetire.org/hybrid for more information.</p>
<p>Average Final Compensation</p>	<p>Not applicable</p>	<p>Your average final compensation is the average of your 60 consecutive months of highest compensation as a covered employee. It is used in the retirement formula for the defined benefit component of the plan.</p>
<p>Service Retirement Multiplier</p>	<p>Not applicable</p>	<p>A retirement multiplier is a factor that determines how much of your average final compensation will be used to calculate the defined benefit component of your retirement benefit. Your retirement multiplier is 1.0%.</p>

Health Coverage

State employee health benefits coverage is available while employed.

At retirement, you are eligible for the state retiree health benefits program if you meet the age and service requirements for retirement under the VRS plan that was available to you at the time you elected the ORP.

State employee health benefits coverage is available while employed.

State retiree health benefits program participation is available if retirement benefit payments under the defined benefit component of your plan begin immediately upon leaving salaried state employment.

Selecting a Plan

If You Choose the VCU ORP:

You have 60 days from your hire date in your first eligible position to elect the ORP. The election is irrevocable. You must:

- Complete the Election of Retirement Plan – Optional Retirement Plan for Higher Education form (VRS-65) and return it to VCU Human Resources.
- Complete the appropriate online provider enrollment to establish your account with either TIAA or Fidelity Investments. As part of this enrollment, you will choose the funds in which you want your ORP contributions invested.
- Designate the beneficiaries you wish to receive your plan account in the event of your death using the beneficiary forms or online designation specific to your investment provider. Contact the provider for assistance.
- To designate a beneficiary for your group life insurance, use *myVRS* system at <https://myvrs.varetire.org>.
- If VCU does not receive the completed form VRS-65 from you within 60 days from your hire date in your first ORP-eligible position, you automatically will be covered by the VRS Hybrid Retirement Plan, or by VRS Plan 1 or VRS Plan 2 if you have an existing member account in VRS Plan 1 or VRS Plan 2.

If You Choose VRS Hybrid Retirement Plan

If you conclude that VRS Hybrid Retirement Plan better meets your needs, then mark your election on the Election to Participate – Optional Retirement Plan for Higher Education (VRS-65) and return it to VCU Human Resources.

To designate a beneficiary for your VRS Hybrid Retirement Plan accounts, you must access the beneficiary designation menu in *myVRS* at <https://myvrs.varetire.org>. If you do not designate a beneficiary, at your death your benefit will be paid according to the order of precedence. For more information, see the *Virginia Retirement System Hybrid Retirement Plan Handbook for Members* at www.varetire.org/hybrid.

VCU Investment Committee and Investment Policy Statement

As a part of its fiduciary responsibilities, the University established a VCU Investment Committee of faculty and senior administrators who review the investment companies and administer the ORP and the investment options offered. The committee conducts an annual review of the plan and the investment options, based on the VCU ORP Investment Policy Statement. To review a copy of the VCU Investment Policy Statement and the current roster of VCU Investment Committee members, visit <https://hr.vcu.edu/current-employees/benefits/a-z-list-of-benefits/retirement/optional-retirement-plan/>.

Your Selection

Providing a choice of plans does not constitute a recommendation for either plan. Virginia Commonwealth University and/or the Commonwealth of Virginia reserve(s) the right to amend or terminate the VCU ORP at any time and without the consent of any other party. Virginia Commonwealth University reserves the right to change investment providers or investment funds available to ORP participants. The Commonwealth of Virginia reserves the right to change investment providers or investment funds available to VRS participants. A change of investment providers or available funds may affect all accounts held under these plans or future contributions.

*To qualify for Virginia Retirement System Plan 1, a participant must have a pre-July 2010 balance in a VRS defined benefit plan and have been vested in that VRS defined benefit plan as of December 31, 2013. To qualify for ORP Plan 1, a participant must have a pre-July 2010 balance in a Virginia Retirement System defined benefit plan or a Commonwealth of Virginia ORP. The 10.4% contribution to ORP Plan 1 is an employer contribution.

Supplemental Retirement Savings and Cash Match

Employees have access to two supplemental retirement savings plans, separate from the core retirement plans. Both retirement savings programs accept pre-tax and/or after-tax (Roth) salary contributions.

- The **VCU 403(b) Tax-Deferred Savings Plan (“TDA”)** is operated by the university. Employees can elect salary deferrals to TIAA and/or Fidelity investments. To begin participating, complete a 403(b) Salary Reduction Agreement. New salaried employees are automatically enrolled for \$20 TDA savings with TIAA on the 60th day of employment unless they actively enroll or opt out. For plan information, see: www.tiaa.org/vcu (for TIAA) and/or www.netbenefits.com/vcu (for Fidelity Investments).
- The **Commonwealth of Virginia 457 Deferred Compensation Plan (“DCP”)** is operated by the Virginia Retirement System (VRS). Any employee can participate, whether or not VRS is their core retirement plan. To begin participating, register at www.varetirement.org/dcp. There is no automatic enrollment.
- Employees who save in either the TDA or the DCP can qualify for a 50% cash match from VCU (up to a maximum match of \$20 per pay period). The VCU cash match is contributed to a separate account. To qualify, an employee must save a minimum of \$10 in either the TDA or the DCP. Employees whose core retirement plan is the VRS Hybrid Retirement Plan, must exhaust all available matched inside that plan before they can qualify for a VCU cash match retirement savings in a supplemental plan. Each employee is eligible for one VCU cash match on supplemental retirement savings. Those who participate in both the TDA and the DCP receive a match based on the TDA contribution amount.

Note: The Internal Revenue Service (IRS) limits the amount of compensation that an individual can defer to 403(b) plans and like plans during a calendar year, and limits the amount of compensation that an individual can defer to 457(b) plans during a calendar year. Combined deferrals to all 403(b), 401(k), Federal Thrift Savings Plans, and SIMPLE plans all count toward the same limit for the calendar year. Combined deferrals to all 457(b) plans count toward the 457(b) limit for the calendar year. If you participate in plans through more than one employer during the calendar year, ensure that your combined deferrals do not exceed the applicable limit(s) to avoid tax consequences.

VCU 403(b) TDA Plan

For information about participating with TIAA, visit

www.tiaa.org/vcu

For information about participating with Fidelity, visit

www.netbenefits.com/vcu

To enroll and begin saving:

1. Complete a Salary Reduction Agreement (included in this guide) and return it to VCU Payroll.
2. Open your VCU 403(b) TDA account and cash match account online with your selected account provider(s) using the links above.

To opt out of automatic enrollment:

1. Complete the TDA Automatic Enrollment Opt-Out form (included in this guide) and return it as indicated on the form.

For more information about the plan:

1. Visit the “Tax Deferred Annuity” page from the benefits menu at www.hr.vcu.edu.

If you are eligible for a cash match, VCU will apply it automatically. If not, your cash match account will have a zero balance until you are eligible for a cash match.

SALARY REDUCTION AGREEMENT (Yr 2024)
FOR 403(b) and 403(b)(7) ACCOUNTS

INSTRUCTIONS: See the second page of this form for completion instructions and information.

SECTION I: AGREEMENT

BY THIS AGREEMENT MADE BETWEEN THE EMPLOYEE (Employee Name Printed) AND (VCU V-ID number printed)

THE EMPLOYER, VIRGINIA COMMONWEALTH UNIVERSITY ("VCU"), THE PARTIES AGREE AS FOLLOWS:

- 1. This agreement is legally binding and irrevocable with respect to amounts earned while the agreement is in effect. Only compensation that is NOT "currently available" is eligible for salary reduction under this agreement.
2. The Employee is responsible for ensuring their total deferrals are within compliance of the legal limits set by Internal Revenue Code sections 415 (c) , 402(g) and 414(v).
3. That the purpose of this salary reduction is to set aside money for retirement. I have been advised and understand that there are IRC restrictions, limitations and tax penalties on early withdrawals.

SECTION II: ENROLLMENT INFORMATION

ELECTION TYPE: New enrollment Change contributions Terminate contributions

EFFECTIVE DATE: This form must be received by VCU Payroll at least one pay period prior to the date of the paycheck elected below. See payday calendar at https://hr.vcu.edu/media/uncategorized/2024PayrollCalendar.pdf.

CHECK ALL THAT APPLY: I am eligible to defer under [] regular deferral (\$23,000 in 2024); [] age 50+ catch-up (\$7,500 in 2024); [] 15 year catch up (must be full-time VCU service)

As of the paycheck beginning on either [check one] the 1st or 16th of the month and year of 2024, VCU shall reduce the Employee's salary every semi-monthly pay period by \$ (give the total amount from each payday). VCU will forward the amount of such reduction to the company(ies) listed below on a semi-monthly (1st and 16th) basis.

INSTRUCTIONS FOR COMPLETION

Please complete all sections of the Salary Reduction Agreement (SRA) form, and submit all original forms to VCU Payroll Services using the contact information at the bottom of the front page. The following instructions will assist you in completing the form so that there are no delays in the effective date and your salary is reduced by the correct amount.

SECTION I: AGREEMENT *Print* your name so that it is legible, and enter your VCU V-ID number (found on your pay stub or in eServices Self Service).

Statements 1., 2., and 3: These statements provide you with important information on IRS regulations that apply to this program and your responsibilities.

SECTION II: ENROLLMENT INFORMATION

Effective Date: This section gives the effective payroll dates for your SRA.

Indicate Status: Check “New Enrollment” if this is the first time you are entering into a Salary Reduction Agreement (SRA) with the University. Check “Change Contributions” if you are changing the **amount** to be deducted from your paycheck *or* you are changing the **contribution(s)** you are sending to an account provider(s). Check “Terminate Contributions” if you are stopping an existing agreement.

Check all that apply: Indicate all deferral limits that apply to you. The limits apply to pre-tax and post-tax (Roth) contributions **combined**. **All** employees are eligible to defer under “regular deferral,” which is limited to \$23,000 for 2024. If you are age 50 or older and want to defer up to an additional \$7,500 in 2024 check “age 50+ catch-up.” If you are eligible to defer additional contributions under the 15-year catch-up rule, which is based on full-time employment with VCU, check “15-year rule.” *Note:* To determine your eligibility and the amount of your catch-up under the 15-year rule, contact your account provider for the calculation and **report** your catch-up amount to VCU Payroll Services. You may also request a 15-year catch-up calculation from VCU Human Resources, Benefits Administration by emailing benefits@vcu.edu. Allow at least 10 days for processing your calculation request.

SELECT ACCOUNT PROVIDER(S):

Account Provider(s) Name(s): List the name(s) of **ALL** companies to receive your contributions. The University remits the total amount you specify to the company(ies) you list. Do not list investment options on this form. Select your investments directly with the account provider(s) at www.tiaa.org/vcu and/or www.netbenefits.com/vcu.

In addition to completing this form, you must also enroll for a VCU 403(b) account with each account provider you select, to open your account and select your investment options. You may enroll online with TIAA at www.tiaa.org/vcu and/or with Fidelity Investments at www.netbenefits.com/vcu, or you may contact your selected account provider(s) to request paper enrollment forms for the VCU 403(b) plan.

Pay Period Amount: Enter the **exact** dollar amount that goes to **each** account provider listed for **each** pay date (1st and 16th). Do not enter percentages.

TERMINATE ACCOUNT PROVIDER(S): If you want to stop sending contributions to any account provider, list the account provider name(s) in this section.

CASH MATCH DESIGNATION: Full-time and part-time salaried faculty, University and Academic Professionals, and classified staff who make contributions of at least \$10 per pay period to an account in the VCU 403(b) Tax-Deferred Savings Plan are eligible for the VCU Cash Match Plan. Faculty and staff who participate in the Virginia Retirement System Hybrid Retirement Plan must be making the maximum voluntary contribution to the defined contribution component of that plan before they can qualify for contributions to the VCU Cash Match Plan. The Cash Match Plan is funded by the state and is subject to change.

SECTION III: AUTHORIZATION

Sign your name. *Enter* your ID number, the date you complete the form, your work Campus Box #, your work phone number, and your work e-mail address.

WITHDRAWALS

According to IRS regulations, funds may be withdrawn from an account for the following reasons **only**: separation from service, financial hardship, becoming disabled, at age 59½, or meeting the requirements for early retirement upon separation from service at age 55 or older. A financial hardship withdrawal must meet a two-part test:

1. There must be an immediate and heavy financial need, for which there are four reasons:
 - medical expenses incurred by the participant, the participant’s spouse or any dependents of the participant or obtaining of medical care if the withdrawal is necessary for these persons to obtain medical care;
 - purchase of the participant’s primary residence;
 - payment of tuition and related educational fees for the next 12 months of post-secondary education for the participant or the participant’s spouse, children, or dependents; or
 - payments of amounts necessary to prevent eviction of the participant from the participant’s principle residence or foreclosure on the mortgage of the participant’s principle residence.
2. The withdrawal must be necessary to meet the need.

Your account provider must authorize a hardship withdrawal.

You will not be able to take a distribution from the Employee Cash Match account (401a) while you are employed by Virginia Commonwealth University (VCU). Upon termination of employment from VCU, you may withdraw the value of your Cash Match account.

Precedence of Contributions: In any pay period for which your salary does not permit your entire pre-tax or Roth election amount to be contributed, no contribution will be made for the applicable election. For employees with both pre-tax and Roth elections, VCU will prioritize the pre-tax election.

OPT-OUT ELECTION

[] I have received information about the Tax-Deferred Annuity (TDA) Program and, by checking here, I do not wish to make any contributions to the TDA at this time, but reserve the right to contribute at a later time according to TDA plan provisions.

SIGNATURE

I have read and understand the materials describing the TDA program. I understand that my election to opt out of participating in the TDA auto-enrollment program will remain in effect until I elect to contribute to a TDA by completing a Salary Reduction Agreement (SRA) and vendor enrollment form(s), as applicable. I further understand it is my responsibility to ensure that my election is properly implemented (by reviewing my payroll statements on eServices/VCU Self Service) and to notify VCU Human Resources at (804) 828-0740 if I believe there has been an error.

Moreover, I understand that if I fail to notify VCU Human Resources of an error, I will be deemed to have accepted participation in the TDA auto-enrollment program at a contribution level of \$20 each pay period.

Virginia Retirement System

Commonwealth of Virginia 457 Deferred Compensation Plan and Virginia Cash Match Plan

Plan Features & Highlights

The Commonwealth of Virginia 457 Deferred Compensation Plan and Virginia Cash Match Plan can help you realize your retirement goals.

If you're not already saving, look at the opportunities you may be missing, including a cash match from your employer.

step 1 **Learn More**
Gather information and identify the steps that will get you to your goals.

step 2 **Make a Plan**
Determine what you want and need and set your goals.

step 3 **Start Saving!**
Take the actions needed to reach your goals.

STEP 1:

LEARN MORE

Learn more about why enrolling in the COV 457 Plan can help you build retirement security. In addition to having your contributions grow tax-deferred, it can help you save money because your before-tax contributions made during the year are not included in your taxable income. Or if you prefer to save money on taxes later in life, you can choose Roth after-tax contributions for qualified tax-free withdrawals. And setting aside more money from each paycheck can really add up over time.

Benefits of Saving With the Plan

Meet Jennifer (Age 25)

Jennifer just started working for a Commonwealth of Virginia employer that offers the COV 457 Plan. She feels good about the fact that she can start to build up her retirement savings.

Jennifer:

- Isn't worried about the tax deduction now
- Is confident her salary will increase over the years to come
- Expects to be in a higher tax bracket when she retires

	Contributing to 457 Plan Before Tax	Contributing to 457 Plan Roth After Tax
Gross Pay	\$ 36,000	\$ 36,000
Annual salary available to save	\$ 3,000	\$ 3,000
Estimated Income Tax Withholding from Pay	-0	-360
Spendable Pay	\$ 3,000	\$ 2,640
Total over 40 years	\$ 120,000	\$ 105,600
Value at retirement	\$ 478,012	\$ 420,650
Less taxes at 33%	-157,744	-0
After-Tax Value	\$ 320,268	\$ 420,650

Consider Roth 457

This hypothetical illustration assumes federal tax withholding of 12% and a 6% average annual return after 40 years. Assumed tax rates designed to illustrate impact of lower and higher tax rates in retirement. Qualified withdrawals of Roth assets are not subject to taxes.

The Cash Match — As a salaried employee, Jennifer will receive a cash match. Let's assume the match is \$20 per pay period on a bimonthly basis. **That's an additional \$40 per month or \$480 per year contributed to her Cash Match Plan.** Over 40 years, that money could grow to \$76,000! (Assumes cash match of \$40 each month earning 6% annual rate of return.)

Meet Patrick (Age 45)

Patrick considers himself in his “peak” earning years. He knows he won’t be making this money forever, but wants to enjoy it while he can.

Patrick:

- Doesn’t think he can afford to lose another tax deduction at this point
- Doesn’t really like change
- Expects to be in a lower tax bracket when he retires

	Contributing to 457 Plan Before Tax	Contributing to 457 Plan Roth After Tax
Gross Pay	\$ 75,000	\$ 75,000
Annual salary available to save	\$ 10,000	\$ 10,000
Estimated Income Tax Withholding from Pay	-0	-2,500
Spendable Pay	\$ 10,000	\$ 7,800
Total over 20 years	\$ 200,000	\$ 156,000
Value at retirement	\$ 378,731	\$ 295,410
Less taxes at 15%	-56,810	-0
Consider Traditional 457	After-Tax Value	\$ 321,921 \$ 295,410

This hypothetical illustration assumes federal tax withholding of 22% and a 6% average annual return after 20 years. Assumed tax rates designed to illustrate impact of lower and higher tax rates in retirement. Qualified withdrawals of Roth assets are not subject to taxes.

The Cash Match — As a salaried employee, Patrick will receive a cash match. Let’s assume the match is \$20 per pay period on a bimonthly basis. **That’s an additional \$40 per month or \$480 per year contributed to his Cash Match Plan.** Over 20 years, that money could grow to \$18,000! (Assumes cash match of \$40 each month earning 6% annual rate of return.)

Just starting out in your career?

You might think you can’t afford to put much aside, but making small changes now truly can make a big difference over the long term. By investing early, your money has more time to work for you.

Are you mid-career or nearing retirement?

When starting mid-career or even later, it’s important to consider your investment strategies, the amount you have available to contribute and the benefit of deferring income taxes. You may need to contribute more since you have a shorter timeframe and also need to save on taxes, while being more conservative in your investment choices.

457 Plan Catch-Up Provisions

Age 50 Catch-Up — if you are at least age 50 before the end of the tax year, the catch-up allows you to make additional contributions.

Standard Catch-Up — you may make contributions up to twice the regular contribution limit during the three calendar years prior to your designated normal retirement age, depending on your available catch-up credit.

IRS regulations state the Age 50 Catch-Up Provision cannot be used in the same calendar year as the Standard Catch-Up Provision.

Tax Planning

Having both before-tax and Roth after-tax contributions available allows you to choose the type of contributions that best fit your lifestyle. The same annual contribution limits apply whether you choose one or a combination of both contribution types.

Choosing Investments

Need more information to help you choose which funds to invest in? Click **Publications** to view the *VRS Defined Contribution Plans Investment Guide*.

Tax Saver’s Credit*

To encourage low- and moderate-income individuals to save, the government offers a tax credit for contributions to eligible retirement plans. Visit **www.irs.gov** and search for “Saver’s Credit” for additional details.

If you take this tax credit, you can still deduct your before-tax contributions to qualified retirement savings plans as allowed under current law. For more information, call the Plan Information Line and speak with a Participant Services Representative.

The value of contributing more money over time

This chart demonstrates the added value of contributing more money over time.

For illustrative purposes only; assumes bimonthly employee contribution made on 15th and 30th of each month and a 6% effective annual return. The final account balance does not account for plan fees or expenses, which would reflect lower net returns. Investment return and principal value will fluctuate, so when shares are redeemed they may be worth more or less than the original cost.

STEP 2:

MAKE A PLAN

Now that you've done your research, it's time to plan. What's best for you depends on a variety of factors, such as whether you're just starting out in your career or are closer to retirement. Choose how much from each paycheck to set aside, which funds to invest in and whether to take advantage of a tax credit that might apply to you.

Assumptions: Individuals make a total \$100 monthly contribution and receive an employer match of \$40 per month, earning a 6% effective monthly compounded return. Contributions are made at the beginning and in the middle of each month. This example is not intended to guarantee an actual rate of return. Actual returns may be more or less, depending on your investments.

Participating in retirement savings plans may be one of the best decisions you'll ever make. However, unexpected challenges will likely cross your path. By taking these steps today, you may have an easier time staying on track to meet your goals.

Maintain an emergency fund

Retirement savings plans were not designed to be short-term savings vehicles or to replace your household emergency fund. Therefore, it is important that you have another source of savings (or emergency fund) that you can access easily.

Most experts suggest having three to six months of your living expenses set aside.

Be consistent

Saving and staying focused on your retirement goal is very important to achieving a secure financial future. Because it is payroll deducted, the 457 Plan is an easy way to save. There may come a point in time when it feels like there are competing priorities for your paycheck dollars.

Chances are, if you take a closer look at your spending habits you'll find money that could be invested for your future.

The 457 Plan allows you to have more money available for savings by deferring income tax on the amount you contribute before tax. If you expect to be in a higher tax bracket in retirement, Roth after-tax contributions allow you to pay taxes now, to avoid higher taxes when you withdraw later.

Make small changes for big results

Try keeping a spending journal for a few weeks to help you track where your money is going and to identify saving opportunities, such as:

- Bringing your lunch to work.
- Brewing your coffee.
- Drinking tap water instead of buying bottled water.
- Streaming a movie and popping your own popcorn on Saturday night.

STEP 3:

START SAVING!

Now you're ready to enroll and begin building your retirement security! Here are answers to some commonly asked questions about participating in the plan and managing your retirement account.

Who is eligible to enroll?

DEFERRED COMPENSATION PLAN | All employees of the Commonwealth of Virginia and participating employers including wage employees and elected or appointed officials are eligible to enroll.

CASH MATCH PLAN | Full-time or part-time salaried employees of the Commonwealth and political subdivisions who adopted the Cash Match Plan are eligible if they are making continuous 457 contributions.

If you participate in a 403(b) in addition to your 457 Plan, you are eligible to receive only one cash match per pay date.

If you are a Hybrid Retirement Plan member, you must first maximize your voluntary contributions into the Hybrid 457 Deferred Compensation Plan before receiving a cash match.

How do I enroll in the plan?

DEFERRED COMPENSATION PLAN | You can enroll two ways:

Online: Go to www.varetire.org/457 and select the *New User* — *Register Now* link under the Account Access log-in box and follow the prompts to register online.

By phone: VRS-DC-PLAN1 (877-327-5261), option 1.

CASH MATCH PLAN | If your employer participates, enrollment is automatic (for full-time or part-time salaried employees) once you enroll in the Deferred Compensation Plan and are making continuous contributions of at least \$10 per pay period to the Deferred Compensation Plan.

If you are a Hybrid Retirement Plan member, you must first maximize your voluntary contributions into the Hybrid 457 Deferred Compensation Plan before receiving a cash match.

Who contributes?

DEFERRED COMPENSATION PLAN | You contribute to the plan.

CASH MATCH PLAN | Your employer contributes to the plan.

What is the contribution amount?

DEFERRED COMPENSATION PLAN | The minimum amount you can contribute is \$10 per pay period (applies to each contribution type you choose, before tax and/or Roth after tax). The maximum you can contribute is up to 100% of includible compensation or the maximum annual plan limit. To view your regular, age 50+ and standard catch-up contribution limit for this year, visit www.varetire.org/457 and click **Plan Info**.

Age 50+: If you are age 50 or over during the calendar year, you may contribute an additional amount to the 457 Plan for all plan years except during the years you are using the Standard Catch-Up Provision.

Standard Catch-Up: You may make contributions up to twice the regular contribution limit during the three calendar years prior to your designated normal retirement age, depending on your available catch-up credit.

CASH MATCH PLAN | For salaried employees of the Commonwealth of Virginia, the matching amount is 50% of your contribution to the 457 Plan, not to exceed \$20 per pay date.* Political subdivisions and school divisions that participate in the Cash Match Plan may establish their own Cash Match amount.

If you are a Hybrid Retirement Plan member, you must first maximize your voluntary contributions into the Hybrid 457 Deferred Compensation Plan before receiving a cash match.

**Wage employees are not eligible for the employer Cash Match.*

ALL PLANS | In addition to your contributions to the 457 and your employer's contribution, you also may roll money into the plan from an eligible retirement plan such as a 401(a), 401(k), 403(b), 457(b), traditional IRA or Federal Employees Thrift Savings Plan.

What are my investment option choices?

The plan offers a variety of investment options — from pre-mixed target date portfolios to a menu of options across asset classes — to construct your investment portfolio. Additionally, the plan offers a Self-Directed Brokerage Account (SDBA) for an additional fee. Publicly traded mutual funds, exchange-traded funds (ETFs) and individual securities are offered through the SDBA. As of 6/3/2019, MissionSquare Retirement does not charge a fee to establish a SDBA for participants in any of the Commonwealth of Virginia plans. You must maintain a balance of \$2,500 in the core DCP investments before investing in the SDBA.

For more information about the plan's investment options, go to www.varetire.org/457 or call the Plan Information Line toll-free at **VRS-DC-PLAN1** (877-327-5261). For information about the SDBA, contact TD Ameritrade at 866-766-4015. Please consider the investment objectives, risks, fees and expenses carefully before investing.

MissionSquare Retirement and TD Ameritrade are separate, unaffiliated companies and not responsible for each other's services or policies. Brokerage services are provided by TD Ameritrade, Inc. a registered broker-dealer and member of FINRA/SIPC. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and the Toronto-Dominion Bank. Used with permission.

How do I make investment option changes?

You can make changes to your account online or by phone. Go to the plan website at www.varetire.org/457 and log into your

- Move all or a portion of your existing balances between investment options (subject to plan rules)
- Change how your future contributions are invested

How do I keep track of my account?

You will receive a quarterly account statement showing your account balance and activity for your plans. You also can check your account balance online at www.varetire.org/457, and log into your account or call **VRS-DC-PLAN1** (877-327-5261). You may elect to receive an electronic statement.

Are there fees to participate in the plan?

Yes. A record-keeping fee of \$2.54 will be deducted from your account on a monthly basis (\$30.50 per year). If you participate in more than one Commonwealth of Virginia defined contribution plan, only one annual fee of \$30.50 will be deducted from your account. In addition, each investment option has investment management and other fund costs that vary. Investment option fees and performance are available on the plan website, by calling the Plan Information Line or within the Investment Option Performance report included with your quarterly statement. For more information about fees associated with the Self-Directed Brokerage Account, refer to the fact sheet online or call the Plan Information Line.

Can I use my account balance to purchase service credits for the VRS Defined Benefit Plan?

DEFERRED COMPENSATION PLAN | Yes. In-service trustee-to-trustee transfer of assets from a governmental 457(b) plan to a governmental defined benefit plan for the purchase of permissible service credit or repayment of contributions and earnings that were previously refunded, causing forfeiture of service credit under the defined benefit plan, is allowed. For additional information, call **VRS-DC-PLAN1** (877-327-5261). To use the option, you must be approved to purchase service by your defined benefit plan.

CASH MATCH PLAN | Employer contributions to the Cash Match Plan cannot be used to purchase VRS service credit. Monies in the Cash Match Plan rollover account may be rolled over to VRS to purchase approved service credit.

May I transfer or roll over my account from another plan into the Deferred Compensation and the Cash Match Plans?

Yes. Balances from an eligible retirement plan such as a 401(a), 401(k), 403(b), 457(b), traditional IRA or Federal Employees Thrift Savings Plan may be rolled over. Certain after-tax rollovers are permitted into the Cash Match Plan and the Deferred Compensation

Plan. However, please note that balances from Roth IRAs cannot be rolled over into these plans. For additional information, call the Plan Information Line at **VRS-DC-PLAN1** (877-327-5261).

Note that rollovers from these plan types will be separately accounted for to ensure that the distribution from these plan types will still be subject to the 10% additional tax under IRS Section 72(t).

May I contribute to the plan the payout I receive for unused vacation and sick leave or other compensation such as bonuses?

Yes. To make these types of contributions to the plan, complete the Payroll Authorization-One-Time Deferral Form, which is available at www.varetire.org/457, from your employer or by calling the Plan Information Line. You must give the completed form to your employer while you are still employed and no later than the month before the month in which you would otherwise receive the payment. Any one-time deferrals you make to the plan count toward the contribution limit for the year in which the deferral is posted to your plan account.

When can I withdraw from my account?

DEFERRED COMPENSATION PLAN You may withdraw your funds only when you meet one of these conditions:

- It has been at least one full calendar month since you terminated employment from an employer that offers the COV 457 plan,
- Use your plan account to purchase VRS service credit, if approved,
- Experience an unforeseeable emergency that is approved by the Plan Administrator,
- Have a low balance, inactive account (subject to IRS De Minimis withdrawal guidelines and plan requirements),
- Rolled funds from another retirement plan into your 457 Deferred Compensation Account, or
- Reach age 70½, even if still employed.

CASH MATCH PLAN You may withdraw your funds only when you meet one of these conditions:

- Terminate employment with the employer that offers the plan, or
- Rolled funds from another retirement plan into your Cash Match Account

Withdrawals made prior to age 59½ may be subject to a 10% penalty, plus state and federal income tax withholding.

ALL PLANS If you die, your beneficiary receives your benefits. Generally speaking, withdrawals are not subject to an early withdrawal penalty, but are subject to state and federal income tax.

You may withdraw Roth after-tax assets on a tax free basis if five years have passed since January 1 of the year you made your first Roth contribution and you are at least 59½ years old, permanently disabled, or the assets are being paid to your beneficiaries following your death.

You are required to take your first minimum distributions by April 1 of the calendar year following the later of: (1) the calendar year in which you reach age 72, or (2) the calendar year in which you terminate employment from the employer sponsoring your plan.

If you were automatically enrolled in the plan and elect not to participate, you may still opt out of participation within 90 days of the first contribution being posted to your account. Should you opt out of participation during this time frame, you will automatically receive a refund of your contributions.

What are my distribution options?

Keep your money in the plan until a future date (subject to required minimum distribution rules.)

Receive:

- A total or partial lump sum
- Annuity payments
- Periodic payments
- Partial lump sum with remainder paid as a periodic payment or annuity

Roll over into an eligible retirement plan such as a 401(a), 401(k), 403(b), governmental 457(b), traditional IRA, Roth IRA or Federal Employees Thrift Savings Plan that accepts such rollovers.

Is there a penalty for taking a distribution from the 457 Plan?

Unlike many retirement savings plans, there is no early withdrawal penalty for distributions from the plan. If you have had at least a full month break in employment from an employer that offers the plan, you may take distributions from the plan, regardless of your age. Distributions are subject to federal income tax and state income tax, depending upon the state in which you reside at the time of distribution. A penalty may apply if you rolled funds into the COV 457 Plan from another type of plan.

You may withdraw Roth after-tax assets on a tax free basis if five years have passed since January 1 of the year you made your first Roth contribution and you are at least 59½ years old, permanently disabled, or the assets are being paid to your beneficiaries following your death.

Once I receive payments, can I change my payment amount?

Yes. You can make changes to your distribution requests. Except for the purchase of an annuity, you may change your distribution option for the balance remaining in your plan. Go to www.varetire.org/401a and click on the **Forms** tab to obtain a Distribution Form or call toll-free **VRS-DC-PLAN1** (877-327-5261).

May I transfer or roll over my account if I leave my current employer?

If you leave employment with the employer that provides the plan, you may roll over your account balance to an eligible retirement plan such as a 401(a), 401(k), 403(b), 457(b), traditional IRA, Roth IRA or Federal Employees Thrift Savings Plan that accepts such rollovers. However, an IRS penalty for withdrawals from these plans prior to age 59½ may apply.

Note: Check with the plan that you are rolling into to ensure it accepts such rollovers.

At termination or retirement, are there other contributions I can make to the plans?

Participants terminating employment or retiring may also contribute their unused vacation, compensatory and sick leave payout (including disability credits) to the COV 457 Plan. Submit the required form to your payroll officer while you are still employed and no later than the month prior to the month in which the compensation would otherwise be paid to you.

If you select the Partial Lump Sum Option (PLOS) for your VRS retirement, some or all of the lump-sum payment may also be rolled over to your defined contribution account. You may take a distribution from your rollover account while you are employed by the Commonwealth or a participating employer.

Will I be forced to take a distribution from the plan when I leave employment with the employer that provides the plan?

No. You may leave the monies in the plans and continue to manage your accounts. When you reach age 72, a certain minimum distribution will be required if you are not still working for an employer that provides the plan.

May I continue to make contributions to the plan once I terminate employment with an employer that offers the plan?

No. Contributions can only be made while you are employed by a sponsoring employer, including the Commonwealth of Virginia or one of the Virginia political subdivisions, school divisions or special authorities that adopted the plan. However, once you leave employment, you may roll in money from other retirement plans, as long as you keep a balance in your plan.

What do I do if I change employers covered under the same plan?

If you leave your job and return to work, with or without a break in service, with another employer that participates in the COV 457 Plan, your employee contributions will stop with your old employer and you will need to restart them under your new employer. Upon receipt of a termination date from your old employer, you will receive a letter from MissionSquare, the VRS third-party record keeper, stating that your employee contributions have been set to zero. Your new employer will have to enroll you at VRS under their employer code before you can restart your employee contributions. To reset your deferral amount, please go to Account Access at www.varetire.org/457 or call **VRS-DC-PLAN1** (877-327-5261).

Paid leave

Annual Leave

Full-time Postdoctoral Scholar-Fellows accrue 1 day (8 hours) of annual leave at the end of each semi-monthly pay period. Part-time 12-month faculty members accrue a prorated amount. Annual leave can be used for any reason, but must be accrued before it can be used.

Academic year postdoctoral employees (9/10-month) do not accrue annual leave.

Sick Leave

Postdoctoral Scholar-Fellow accrue sick leave based on their retirement plan selection.

- **Optional Retirement Plan (ORP)** members participate in the VCU Traditional Sick Leave Program. Full-time 12-month faculty members accrue 5 hours of sick leave at the end of each semi-monthly pay period and part-time 12-month faculty members accrue a prorated amount. Full-time academic year (9/10-month) faculty accrue 48 hours of sick leave at the beginning of each semester (Fall and Spring) and part-time academic year faculty accrue a prorated amount. The sick leave balance can be used for personal illness and short-term disability. A portion of the balance can be used for family illnesses. Traditional sick leave balances carry over from year to year with no limit during VCU faculty employment.
- **Virginia Retirement System (VRS)** members participate in the Virginia Sickness and Disability Program (VSDP). New full-time employees on 75% FTE appointments or greater receive 8 days (64 hours) of sick leave upon enrollment if hired between January 10 and July 9, or 4 days (32 hours) if hired between July 10 and January 9. Part-time employees on less than 75%FTE appointments receive 4 days (32 hours) if hired between January 10 and July 9, or 2 days (16 hours) if hired between July 10 and January 9. VSDP participants also receive personal/family leave to use for family illnesses or other personal reasons. New employees (regardless of appointment percentage) receive 4 days (32 hours) of personal/family leave upon enrollment if hired between January 10 and July 9, or 2 days (16 hours) of personal/family leave upon enrollment if hired between July 10 and January 9. Employees who are already continuously covered by VSDP for at least five years upon transferring to VCU from another VSDP-participating employer may receive larger amounts based on total continuous years of VSDP participation. All unused VSDP leave balances are forfeited each January 9 and replenished each January 10.

Holidays

12-month employees generally receive paid holidays listed on the Payday and Holiday calendar at www.hr.vcu.edu. Confirm with your manager for details.

More information:

- For full details about paid leave, visit the Leave page at www.hr.vcu.edu.
- To review your leave balance, log into your MyVCU portal at <https://my.vcu.edu>.
- To request paid leave, log into VCU RealTime at go.vcu.edu/realtime or contact your department's timekeeper.

Disability coverage

Postdoctoral Scholar-Fellows access disability coverage based on their retirement plan selection.

- **Optional Retirement Plan (ORP)** members are automatically provided with long-term disability coverage paid for by VCU when they enroll in the ORP. This coverage provides income replacement benefits and continued ORP contributions during approved periods of disability that exceed 180 days (6 months). During the first 180 days of disability, faculty members use their accrued VCU Traditional Sick Leave. 12-month faculty may also use accrued Annual Leave during periods of short-term disability. When long-term disability benefits are approved after 180 days, the income replacement benefit is 60% of monthly base salary up to a maximum benefit of \$20,000 per month, and continued employer contributions to the ORP based on the pre-disability salary.
- **Virginia Retirement System (VRS)** members participate in the Virginia Sickness and Disability Coverage (VSDP). The premiums for this program are paid by VCU. The VSDP provides short-term disability and long-term disability income replacement benefits and continued accrual of VRS service credit toward retirement during approved periods of disability. New participants are eligible for 60% income replacement benefits during short-term and long-term disability, however the VSDP does not provide benefits for non-work related disabilities that begin during the first year of VSDP participation. Work-related disabilities are covered immediately. If you are transferring to VCU from another Commonwealth of Virginia employer and have already continuously participated in the VSDP for at least five years, your income replacement percentage for may be higher.

Long Term Care Coverage

Virginia Sickness and Disability Program

Employees who participate in the Virginia Retirement System (VRS) and the Virginia Sickness and Disability Program (VSDP) receive VSDP Long Term Care Coverage. VCU pays the premium for this coverage and no underwriting is required. Benefits cover the employee only, up to a maximum of \$70,082. Covered faculty members who separate from employment may retain coverage at their own cost by applying within 60 days of leaving eligible employment.

Commonwealth of Virginia Voluntary Long Term Care Insurance Program

Salaried state employees are eligible to participate in the Commonwealth of Virginia Voluntary Long Term Care Insurance Program, regardless of whether they participate in VSDP. The program is offered by the Virginia Retirement System (VRS) through Genworth. A variety of coverage options is available to employees and eligible family members who apply.

- Streamlined underwriting is available to employees aged 65 and under during the first 60 calendar days of eligible state employment. After 60 days of eligible state employment, long-form underwriting approval is required.
- Employees over age 65 and eligible family members aged 18 through 75 under may apply for coverage subject to long-form underwriting approval.
- Participants are direct-billed by Genworth. Payroll deduction is not available.
- Coverage may continue after separation from state employment through continued direct billing.
- Employees who participate in the Virginia Sickness and Disability Program (VSDP) described in the Disability Coverage section receive VSDP Long Term Care coverage. Faculty members with VSDP Long Term Care coverage may also participate in this voluntary program and may coordinate benefits from both programs in the event of a claim.

VSDP Long-Term Care Plan

For State
Employees

Virginia
Retirement
System®

Long-Term Care Coverage Protects Your Finances

Many of us don't think about long-term care as part of long-range financial or retirement planning. Most health insurance plans, however, don't cover services such as nursing home care or in-home care to assist with bathing, eating or other activities of daily living. The cost of these services can quickly deplete savings or retirement income.

If you are a state employee enrolled in the Virginia Sickness and Disability Program (VSDP), you have coverage under the VSDP Long-Term Care Plan at no cost to you. You can also elect additional coverage and continue coverage if you leave or retire from your position.

VSDP Long-Term Care Services

The VSDP Long-Term Care Plan assists with the cost of:

- Care in a nursing home or hospice facility.
- Assisted living facility care.
- Community-based care.
- Home healthcare services.
- Informal care-giving.
- Alternative or transitional care.

The maximum daily benefit amount is \$96, with a lifetime maximum of \$70,080.

Qualifying for Benefits

You are eligible for benefits if a licensed healthcare practitioner certifies that:

- You are unable to perform at least two of six activities of daily living without substantial assistance; or
- You have a severe cognitive impairment requiring substantial supervision.

Activities of Daily Living

- Bathing.
- Transferring, such as getting in and out of bed.
- Dressing.
- Toileting (using the bathroom).
- Continence.
- Eating (ability to feed oneself).

How to File a Claim

VRS has contracted with the Long Term Care Group Inc. to coordinate benefits under the plan. Contact the Long Term Care Group Inc. within 60 days of being certified as eligible for benefits. A family member or friend can call on your behalf:

Long Term Care Group Inc.
P.O. Box 64011
St. Paul, MN 55164-0011
Toll-free: 800-761-4057

If You Leave or Retire From Your Position

If you leave or retire from your position, your VSDP coverage will end. However, you can elect to continue your coverage under the long-term care plan, which will be retroactive to your last day of employment.

If you continue your coverage, you will pay the premiums directly to the Long Term Care Group Inc. You will qualify for the same benefits and must meet the same eligibility requirements when submitting a claim for covered services.

Apply within 60 days of your last day of employment. Submit the Authorization of Coverage Retention for the Long-Term Care Plan (VSDP or VLDP) (VRS-170) and the Protection Against Unintentional Lapse of Long-Term Care (VSDP or VLDP) (VRS-171) to the Long Term Care Group Inc. This option is not available after 60 days from your last day of employment.

Other Program Features

- Reduced medical underwriting (proof of good health) if you are age 65 or under and apply within 60 days of employment. Full medical underwriting will be required after 60 days or if you are over age 65.
- Full medical underwriting is required for any family members who apply, or if you are a VRS deferred member or retiree.
- At group rates, your premiums may be more affordable.
- If you leave or retire from your position, you may continue your coverage under Genworth. If you are not enrolled, you can apply as a deferred VRS member or retiree.
- You can choose one of three benefit increase options that will allow you to increase your coverage over time to help protect against the rising cost of care.
- You will pay premiums directly to Genworth.

Covered Under the VSDP or VLDP Long-Term Care Plan?

If you are enrolled in the Virginia Sickness and Disability Program (VSDP) or the Virginia Local Disability Program (VLDP), you are covered under the VSDP or VLDP Long-Term Care Plan at no cost to you. For plan details, visit the VRS website at varetire.org. See also the *Virginia Sickness and Disability Program Handbook* or the *Virginia Local Disability Program Handbook*, available from your human resource office or the VRS website.

If you are eligible for the VSDP Long-Term Care Plan or have other long-term care insurance, including the VLDP Long-Term Care Plan, you may be able to coordinate with this voluntary program to obtain even more coverage.

Commonwealth of Virginia

Voluntary Group Long Term Care Insurance Program

Long-term care coverage protects your finances.

Many of us don't think about long-term care as part of long-range financial or retirement planning. Most health insurance plans don't cover services such as nursing home care or care at home to assist with bathing, eating or other activities of daily living. The cost of these services can quickly deplete savings or retirement income.

You may be eligible to apply for coverage for yourself and select family members in the Commonwealth of Virginia (COV) Voluntary Group Long Term Care Insurance Program.

COV Voluntary Group Long Term Care Insurance Program

The participant-paid COV Voluntary Group Long Term Care Insurance Program provides a monthly benefit allowance for covered long-term care expenses. The Virginia Retirement System (VRS) has contracted with Genworth Life Insurance Co. as the insurer for the program.

Coverage Overview

The COV Voluntary Group Long Term Care Insurance Program provides assistance with long-term care expenses, such as:

- Care in a nursing home or assisted living facility
- Home healthcare services
- Caregiver training
- Community-based care

Am I Eligible?

You are eligible to apply for coverage in the COV Voluntary Group Long Term Care Insurance Program if you are age 18 or over and a:

- State employee or faculty member who works at least 20 hours a week. You do not have to be a VRS member.
- School division employee or political subdivision employee who works at least 20 hours a week, provided your employer has elected to participate in the program. You do not have to be a VRS member.

- Deferred VRS member age 75 or under who is vested (you have at least five years of service credit).
- Retiree age 75 or under receiving a VRS-administered benefit.
- Retiree of a Virginia public college or university age 75 or under.

If you are a deferred VRS member or retiree, you are eligible to participate in this program, regardless of whether your former employer elected it. You are subject to full medical underwriting regardless of your age when you apply.

Family members may also apply for coverage if they are between the ages of 18 and 75 and undergo full medical underwriting. Eligible family members include:

- A spouse.
- Adult children.
- Parents, parents-in-law, step parents and step parents-in-law.
- Siblings.
- Grandparents, grandparents-in-law, step grandparents and step grandparents-in-law.

Questions?

Complete the New Employee Orientation benefits curriculum in Talent@VCU for detailed information. Individual benefits meetings with VCU HR are generally not available due to the large number of employees. If you still have questions that are not answered at orientation or by information published at www.hr.vcu.edu, you can:

- Contact the HR Professional in your school or unit
- Submit an HR service request ticket from <https://go.vcu.edu/hrsupport>
- Email benefits@vcu.edu or call AskHR at (804) 828-0177

Returning Forms and Elections

Health coverage and flexible spending elections can be made online in [Cardinal Employee Self Service \(ESS\)](#). For elections that require forms, in many cases DocuSign forms are available that automatically route to VCU HR. Submit other forms and documents to VCU HR using the following methods:

- Attach to an HR service request ticket from <https://go.vcu.edu/hrsupport>
- Send by E-mail to: benefits@vcu.edu
- Securely upload to VCU File Locker (<https://filelocker.vcu.edu>) and share with email address benefits@vcu.edu or user ID BENEFITS
- Send by fax to: (804) 827-4728, and keep a copy of your fax confirmation.
- Send by postal mail* to: VCU Human Resources, Box 842511, 600 W. Franklin St., Richmond, VA 23284-2511
- Send by Campus Mail* to VCU Human Resources, Box 842511

**If you use these methods, remember that meeting the deadline is determined by the date VCU HR receives your election, not the date you sign it or the date of the postmark.*
