- All 2021-2022 plan year flexible spending accounts end June 30, 2022 and are not renewed. Final payroll deduction July 1, 2022 (for pay period June 10 – June 24). Employees who have active 2021-2022 dependent care FSAs as of June 30, 2022 may use unspent balances for dependent care claims incurred through September 15, 2022.

- To have a 2022-2023 FSA, you must enroll during open enrollment. First payroll deduction July 15, 2022.

- If you do not enroll during open enrollment, you will not have another opportunity to enroll unless you experience a qualifying mid-year event that allows flexible spending enrollment.
Flexible Spending Account Types

• Medical FSA (also known as Health FSA): Reimburses eligible out-of-pocket medical/health expenses for you and your qualifying relatives. The qualifying relatives do not have to be covered on your health plan for you to use FSA funds to pay their eligible expenses.

• Dependent Care FSA: Reimburses eligible dependent care expenses (e.g. day care for children under 13, adult day care) for your qualifying relatives while you work. Cannot be used for medical/health expenses.
Flexible Spending Accounts (FSA)

• $2,850 maximum for medical account
• $5,000 maximum for dependent care account
Flexible Spending Accounts (FSA)

- **NEW!** For the 2022-2023 plan year, elections are made as **annual pledges**. Your annual pledge is deducted from your paycheck in even amounts through the end of the plan year. There are 24 pay periods in the plan year.

- Monthly participation fee of $2.10 deducted from your paycheck

- Unused funds are forfeited at end of plan year (June 30, 2023).

- Unspent dependent care funds from the 2021-2022 plan year can continue to be used for eligible expenses through September 15, 2022. They do not roll over into the 2022-2023 dependent care FSA.
Flexible Spending Accounts (FSA)

• New Health Care FSA participants receive a PayFlex MasterCard debit card. Previous participants receive new 2022-2023 balance on existing PayFlex debit card.

• Dependent Care FSA participants file for reimbursement using claim forms or the PayFlex app.
Flexible Spending Accounts (FSA)

• Current participants have until September 15, 2022 to submit claims to PayFlex for health expenses incurred on or prior to June 30, 2022. Paper FSA claim forms must be used for 2021-2022 plan year health FSA claims submitted after July 1, 2022.

• If you have an FSA for only part of the upcoming plan year, you may file FSA claims with PayFlex for up to 3 months after your coverage period ends.
Flexible Spending Accounts (FSA)

• All part-time and full-time salaried faculty, University and Academic Professionals, and classified staff are eligible for flexible spending

• No health plan participation is required

• If you participate in the COVA HealthAware health plan, your HRA (health reimbursement arrangement) pays for out-of-pocket medical, behavioral health, and prescription expenses before your FSA. The HRA does not pay for dental or vision.

- If the documents are not received by 30 days after your election, your request to add family members may be declined.
If you take no action during open enrollment......

• If you currently waive health coverage, your coverage will remain waived.
• You will not be enrolled in flexible spending for the upcoming plan year.
• Any current flexible spending account(s) will end in June, 2022 (last payroll deduction July 1, 2022).
• Any current Premium Rewards will end with July 1, 2022 paycheck premium deduction unless and until you requalify.
Important Steps
