Your 2020 Open Enrollment Checklist
Open Enrollment is May 1 – May 15, 2020

General instructions
Open enrollment elections can be made online using the state’s Employee Direct system at edirect.virginia.gov or by using the State Health Benefits Program Enrollment Form for Employees found at www.hr.vcu.edu/open-enrollment. If you use the online Employee Direct system, your election must be completed until 11:59 p.m. on May 15, 2020. If you use the election form and return it electronically (by DocuSign, email, fax, or VCU File Locker), your form must be received by VCU Human Resources no later than May 15, 2020. If you use the election form and return it by postal mail, it must be postmarked no later than May 15, 2020.

- Don’t wait until the last minute – submit your elections as soon as you make your choices.
- Keep a copy of your election form, fax transmission confirmation, email transmission, and/or postmarked envelope as proof of your timely submission. Please submit your election by one method only.

Adding or re-adding eligible family members:
If you are adding (or re-adding) eligible family members, who are not currently covered, to your health plan during open enrollment, you must submit the required documents to VCU Human Resources to prove the dependents are eligible – even if you have covered them in the past. If you do not have the documents available in time for the open enrollment election deadline, make your elections online or using the election form in time to meet the deadline, and your election will be held for 30 days or until the required documents are received by VCU Human Resources. After 30 days, in the absence of the required eligibility documents your election will be declined. The list of required dependent eligibility documents is available at www.hr.vcu.edu/open-enrollment.

A note about security:
For your own security, please do not use external internet email for materials that include social security numbers. Email within the VCU network is encrypted by policy.

A step-by-step checklist

1. Enroll in a Flexible Spending Account (FSA) – if you wish to do so

   - Current flexible spending accounts end on June 30, 2020 (claims will be processed only until September 2020) and will not be renewed. The final payroll deduction for the plan year will be on July 1, 2020 (for the pay period June 10 – June 24, 2020).
     - If you wish to participate in the flexible spending program for the 2020-2021 plan year, you must enroll or re-enroll during open enrollment. If you enroll or re-enroll, the first payroll deduction for the new plan year will be on July 16, 2020.
   - The health FSA limit is $2,750 for the new plan year (July 1, 2020 – June 30, 2021).
     - The dependent care FSA limit is $5,000 per household for the new plan year (July 1, 2020 – June 30, 2021) and depends on your tax-filing status. For more information, review the 2020-2021 Flexible Spending Accounts Sourcebook at www.hr.vcu.edu/open-enrollment.
   - Choose a whole dollar amount (no cents) for your per-pay-period contribution.
     - The minimum whole dollar amount is $10 per pay period (NOTE: There are 24 pay periods in the plan year). To help you project costs, use the online calculators or FSA worksheet:

       Online calculators are available at https://www.payflex.com/products-and-services/flexible-spending-account. The FSA worksheet is found at www.hr.vcu.edu/open-enrollment.
° Remember, if you choose the COVA HealthAware plan (see below), your health reimbursement arrangement (HRA) pays out-of-pocket medical, prescription and behavioral health costs first, before your FSA.

2. Choose Your Health Plan

• If you take no health plan action during open enrollment, your participation will remain with the same plan selection you have, with the same membership and with the same optional coverage buy-ups you had this year. Any changes in covered benefits or premiums will be applied to your membership automatically. Consult the Spotlight newsletter at www.hr.vcu.edu/open-enrollment for details about benefit and premium changes for the plan year July 1, 2020 – June 30, 2021.
• Use DHRM’s interactive Alex decision-making tool at http://www.myalex.com/cova/202020 to:
  ° project your plan year expenses under COVA Care (Anthem), COVA HealthAware (Aetna), and COVA High Deductible Health Plan (Anthem); and
  ° help you decide which plan to choose for the new plan year.

3. Choose Your Optional Coverage Buy-ups – if any

• Reminder: Primary dental services are not included in the basic COVA Care, COVA High Deductible or COVA HealthAware plans.
  ° Only preventive dental services (periodic cleanings, exams, x-rays) are covered in these basic plans.
  ° If you do not already have the expanded dental buy-up, you must add it during open enrollment if you want coverage for primary services (such as fillings, simple extractions and root canals) and major services (complex, restorative, orthodontic) for the new plan year.
• Decide whether to add or drop optional vision, hearing or out-of-network medical coverage for your plan.

4. Add or Remove Eligible Family Members – if you need to or wish to

• During open enrollment, you can add or drop eligible family members to/from your health plan for any reason or no reason at all. Family members removed during open enrollment are not offered Extended Coverage (COBRA).
• Proof-of-eligibility documents are required if you are adding family members to your health plan. Eligibility documents are not required to continue coverage for family members currently on your plan. If you make an online or paper election to add family members during open enrollment, you must also provide the supporting eligibility documents to VCU Human Resources (see “How to submit forms and documentation” below). Your election will remain pending until the required eligibility documents are received. The election may be declined if VCU Human Resources does not receive the required eligibility documents within 30 days of the date of your election.

5. Make Sure You Earn Your Premium Discount!

• Employees and/or their eligible enrolled spouses in COVA Care and COVA HealthAware can now earn premium rewards at any time during the plan year. To qualify for a premium reward this year, you must submit a completed or updated health assessment on your health plan company’s web site (Anthem or Aetna, see below) May 1, 2020 or later. Health assessments completed prior to May 1, 2020 are not valid for 2020-2021 plan year rewards.
• If you are currently receiving and/or your spouse is receiving a premium reward, those reward(s) will end in June, 2020 unless a new or updated health assessment is completed May 1, 2020 or later.
• To qualify for a premium reward effective July, 2020 the health assessment must be completed between May 1 and May 29, 2020.
• Health assessments submitted after May 29, 2020 are eligible to qualify for premium rewards on a prospective basis. Complete a health assessment by the 15th of the month to receive an award in about six weeks. Complete a health assessment after the 15th of the month to receive an award in about eight weeks.
• Complete the health assessment on your plan’s web site:
  • www.anthem.com/cova for COVA Care
  • www.aetna.com for COVA HealthAware
  • See detailed instructions hr.vcu.edu/open-enrollment
• Reminder: Your enrolled spouse must register separately at your plan’s web (using your health plan member ID number) in order to complete the health assessment.
