ENROLL IN A FLEXIBLE SPENDING ACCOUNT (FSA)

- Enroll in a Health or Dependent Care FSA or both.
- You must submit an enrollment request each year you wish to have a Health and/or Dependent Care FSA.

WHAT EXPENSES ARE ELIGIBLE?

- **Health FSA:** Use your pre-tax dollars to pay for eligible health care expenses, such as:
 - Copays, coinsurance and deductibles.
 - Other out-of-pocket eligible medical expenses.
- **Dependent Care FSA:** Use your pre-tax dollars for eligible work related dependent care expenses, including:

COVA HEALTHAWARE MEMBERS

ENROLLING IN AN FSA

- Remember when planning for a Health FSA: The health reimbursement arrangement (HRA) pays first for certain eligible medical and pharmacy expenses.

CONSULT YOUR FSA SOURCEBOOK FOR ASSISTANCE

Review the 2024 Inspira FSA Sourcebook and visit the Inspira website for details about what expenses are eligible, how the accounts work, and more. Visit or call 855-516-8595. <https://www.dhrm.virginia.gov/employeebenefits/open-enrollment-2024-25>.

MAKE IT SIMPLE. PAY WITH YOUR INSPIRA HEALTH FSA MASTERCARD.

Your Health FSA includes an Inspira MasterCard. Once the card is activated, you receive immediate access to your Health FSA funds. If you re-enroll in a Health FSA, you can continue to utilize your current PayFlex MasterCard until it expires. All others will receive a new Inspira MasterCard.

You simply pay for eligible health care expenses at most merchants where MasterCard is accepted.

- Be sure to pay special attention to Health FSA card transactions that require verification. See the FSA Sourcebook or go to the Inspira website for more information.
- Resolve all card transactions by the end of your runout period.

DON'T LOSE MONEY!

If your account ends on June 30, 2024, you have until September 30, 2024, to file for reimbursement and resolve outstanding card transactions. (**Note:** If your account ends before June 30, you have three months to take action.) Submit your reimbursement request and documentation to Inspira. For more information, contact Inspira at 855-516-8595 or inspirafinancial.com.

THINGS TO KNOW ABOUT FSAS

MAXIMUM FSA CONTRIBUTIONS

- **Health FSA:** Increase for 2024! Up to \$3,200 per plan year.
- **Dependent Care FSA:** Up to \$5,000 per plan year depending on your tax filing status.

CALCULATING YOUR FSA CONTRIBUTION

- Decide how much to set aside for the plan year. Use the FSA worksheet at <https://www.dhrm.virginia.gov/employeebenefits/open-enrollment-2024-25> to determine your annual contribution amount.

ADMINISTRATIVE FEE

- \$2.10 deducted monthly on a pre-tax basis for one or both FSAs.

USE IT OR LOSE IT!

- Submit claims for reimbursement by your filing deadline (runout period) or you will forfeit any remaining FSA funds. Your contributions will not roll over to the new plan year.
- If your account is for part of the plan year, you may file eligible FSA claims up to three months after your coverage period ends.
- If your account ends on June 30, 2025, you have until September 30, 2025 to file your claims for reimbursement for dates of service during the plan year ending on June 30, 2025.

IF YOU HAVE DEPENDENT CARE EXPENSES

You are not required to enroll in a Dependent Care FSA for Open Enrollment. If you have a change in dependent care costs, you are allowed to make a corresponding change within 60 days. For example, if your child enrolls in dependent care in the fall, you may enroll in the Dependent Care FSA at that time. Please plan accordingly.

GET TO KNOW YOUR DEPENDENT CARE FSA

You can save money on eligible dependent care expenses that you're paying for out of pocket. With a Dependent Care FSA, you can set aside up to \$5,000 of your income per plan year on a pre-tax basis. Use your pre-tax dollars for eligible dependent care expenses provided to your qualifying individual so you (and your spouse if you're married) can work or look for work. A qualifying individual must meet the IRS requirements and include:

- Your dependent child under the age of 13 who lives with you for more than half the year.
- Your spouse or other qualifying dependent who is physically or mentally incapable of self-care and lives with you for more than half the year.

What expenses are eligible for reimbursement under a Dependent Care FSA?

- Preschool or nursery school
- Before and after-school care
- Babysitter (certain rules apply)
- Elder day care for a qualifying individual

What expenses are not eligible for reimbursement under a Dependent Care FSA?

- **Out-of-pocket expenses for medical care received by your spouse or dependent.**
- Tuition and/or educational expenses (such as summer school and tutoring programs)
- Money paid to your spouse or your child under the age of 19
- Food expenses (unless it can't be separated from care)

Be sure to plan your expenses carefully, as any funds that you do not use will be forfeited to the plan. If you experience a change in the cost of the coverage provided to your dependent during the plan year, you may be eligible to make a corresponding election change.

See the Flexible Benefits Sourcebook for more detailed information on the requirements for a qualifying individual and eligible expenses under the Dependent Care FSA.

Q. Can my spouse and I both enroll in a flexible spending account (FSA)?

A. Health account - Yes, both you and your spouse can have a health FSA and contribute up to the employer's health FSA plan year maximum.

Dependent care account - Yes, depending on your tax filing status and in accordance with the IRS limits.

Note: You and your spouse cannot submit the same expenses for reimbursement.

Q. Once the new plan year starts, can I use my FSA MasterCard to pay for expenses from the last plan year?

A. No. You may not use your FSA debit card after June 30, 2024 to pay for expenses from the 2023-2024 plan year. You may only use your FSA MasterCard for expenses incurred on or after July 1 of each plan year. After June 30, you must file paper claims for reimbursement of the previous plan year's expenses.

Q. Why will my health care premiums increase beginning July 1?

A. Healthcare premiums are determined based on the expenses incurred by the plan, including claim payments and administration. The plan

must ensure adequate funding to cover increasing costs to fund the Health Benefits Program for State Employees.

Q. How will I know if my Open Enrollment elections were submitted successfully?

A. You will receive an automated email from Cardinal HCM overnight directing you to log into Cardinal HCM to review your Open Enrollment confirmation statement. You can log into **Cardinal HCM** at <https://my.cardinal.virginia.gov> and from the Cardinal Homepage select the 'Benefit Details' tile followed by 'Benefit Statements' to review your confirmation statement.

If you do not receive a confirmation statement after submitting an election, please contact your Benefits Administrator. You will not receive a confirmation statement if you do not submit an open enrollment election.

Q. What should I do if I missed the Open Enrollment deadline?

A. The last day to make an Open Enrollment election, including FSA elections, is May 15, 2024. We are unable to accept health plan coverage changes or FSA election requests after the deadline. Your next opportunity will be at Open Enrollment 2025 or with a consistent life event/qualifying mid-year event. Your health plan elections will remain as designated now if you did not make any changes. Since members must re-enroll every year for FSAs, you will not be enrolled in an FSA for the new plan year.

IMPORTANT NOTICES

ABOUT THIS GUIDE

This guide highlights your benefits. Official plan and insurance documents govern your rights and benefits under each plan. For more details about your benefits, including covered expenses, exclusions, and limitations, please refer to the individual member handbook, which serves as the summary plan description (SPDs), plan document, or certificate of coverage for each plan. If any discrepancy exists between this guide and the official documents, the official documents will prevail. The Commonwealth of Virginia reserves the right to make changes at any time to the benefits, costs, and other provisions relative to benefits.

REMINDER OF AVAILABILITY OF PRIVACY NOTICE

This is to remind plan participants and beneficiaries of the Commonwealth of Virginia State Health Benefits Program (the "Plan") that the Plan has issued a Health Plan Privacy Notice that describes how the Plan uses and discloses protected health information (PHI). You should receive from your agency Benefits Administrator a copy of the Office of Health Benefits Notice of Privacy Practice.

If you do not receive your notice, please contact your benefits office or visit the DHRM Web site at www.dhrm.virginia.gov to obtain a copy. If you have any questions, please contact the Department of Human Resource Management Office of Health Benefits at ohb@dhrm.virginia.gov.

AFFORDABLE CARE ACT (ACA)

SUMMARIES OF BENEFITS AND COVERAGE (SBCS)

The health benefits available to you through the Commonwealth of Virginia represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC) for each plan, which summarizes important information about any health coverage option in a standard format, to help you and your family compare across options.

The SBCs are available on the Department of Human Resource Management's website at www.dhrm.virginia.gov. Paper copies of the SBCs are available, free of charge, by emailing ohb@dhrm.virginia.gov. For a complete description of plan benefits, limits and exclusions, always refer to your plan member handbook.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a

symmetrical appearance;

- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

HIPAA SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, under a HIPAA Special Enrollment you may be able to enroll yourself and your dependents in this plan if:

- You or your dependents lose eligibility for that other coverage (or if the employer stopped contributing towards your or your dependents' other coverage). However, you must request enrollment within 60 days of the date your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).
- You have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and all eligible dependents. However, you must request enrollment within 60 days of the marriage, birth, adoption or placement for adoption.
- You or your dependent become eligible for a Medicaid or SCHIP premium assistance subsidy and you request coverage under the plan within 60 days of the date of your eligibility is determined.

To request a HIPAA Special Enrollment or obtain more information, contact your agency Benefits Administrator.

EXTENDED COVERAGE/COBRA NOTICES

Upon enrollment in COVA Care, COVA HealthAware, COVA HDHP, Sentara Health, Kaiser Permanente, or the Medical Flexible Spending Accounts, you should receive an Extended Coverage (COBRA) General Notice. The notices are distributed by Inspira Financial, formerly known as PayFlex. If you do not receive your notice, please contact your benefits office or visit the DHRM Web site at www.dhrm.virginia.gov to obtain a copy.

Continued coverage is available for you and covered family members who lose eligibility under the State Health Benefits Program unless you enroll in the TRICARE supplement. More information about Extended Coverage (COBRA) is available on the DHRM website or from your Benefits Administrator. Portability information for the TRICARE supplement is available from the plan administrator.

NOTICE REGARDING WELLNESS PROGRAM

PLAN YEAR JULY 1, 2024 THROUGH JUNE 30, 2025

Voluntary wellness programs are available to all employees, retiree group participants and spouses enrolled in the COVA Care, COVA HealthAware, and COVA High Deductible Health Plans under the Commonwealth of Virginia Employee/Retiree Health Benefits Program. The programs are administered by the medical plan claims administrators, as noted below, according to federal rules permitting employer-sponsored wellness programs that seek to improve

employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you decide to participate in the wellness program that is available to you, you can choose to complete a voluntary online health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). Completion of the HRA by employees/retirees and their enrolled spouses in the COVA Care or COVA HealthAware plans will result in earning a premium reward. You are not required to complete the HRA or to participate in other medical examinations. However, employees/retirees and enrolled spouses who choose to participate in the wellness program by completing the HRA will earn an incentive of \$17 per month for each completed HRA. The premium reward will be effective based on the date the HRA is completed. Although you are not required to complete the HRA, only employees/retirees and spouses who do so will earn a premium reward.

Additional incentives are available for employees and spouses enrolled in the COVA Care and COVA HealthAware Plans who participate in certain health-related activities as listed at the end of this Notice. These programs are described in detail in your Member Handbook. If you are unable to participate in any of the health-related activities required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the Department of Human Resource Management's Office of Health Benefits by email at ohb@dhrm.virginia.gov or by telephone at 888-642-4414. Employees/retirees and enrolled spouses in the COVA High Deductible Health Plan may participate in these wellness programs, but no incentive is available. The information from your HRA or health plan claims will be used to provide you with information to help you understand your current health and potential risks. It may also be used to offer services through the wellness program, such as those listed at the end of this Notice, or other information that provides personalized health guidance. You are also encouraged to share your results or concerns with your own doctor.

PROTECTIONS FROM DISCLOSURE OF MEDICAL INFORMATION

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and the Commonwealth of Virginia Employee and Retiree Health Benefits Program may use aggregate information it collects to design a program based on identified health risks in the workplace, claims administrators will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that is provided in connection with the wellness program and that personally identifies you will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will "not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. Only your medical plan's claims administrator, which administers available wellness programs, will receive your personally identifiable health information in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separately from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately. You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Department of Human Resource Management's Office of Health Benefits by email at ohb@dhrm.virginia.gov or by phone at 1-888-642-4414.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –
